In their follow-up to Reading Wellness, Jan Burkins and Kim Yaris explore how some traditional scaffolding practices may actually rob students of important learning opportunities and independence. Who's Doing the Work? suggests ways to make small but powerful adjustments to instruction that hold students accountable for their own learning. Educators everywhere are concerned about students whose reading development inexplicably plateaus, as well as those who face challenging texts without applying the strategies they've been taught. When such problems arise, our instinct is to do more. But when we summarize text before reading or guide students when they encounter difficult words, are we leading them to depend on our support? If we want students to use strategies independently, Jan and Kim believe that we must question the ways our scaffolding is getting in the way. Next generation reading instruction is responsive to students' needs, and it develops readers who can integrate reading strategies without prompting from instructors. In Who's Doing The Work?, Jan and Kim examine how instructional mainstays such as read-aloud, shared reading, guided reading, and independent reading look in classrooms where students do more of the work. Classroom snapshots at the end of each chapter help translate the ideas in the book into practice. Who's Doing the Work? offers a vision for adjusting reading instruction to better align with the goal of creating independent, proficient, and joyful readers.

In today's uncertain world, storms will arise that test your faith in a loving heavenly Father. At times, the winds and waves of the world's deceptions will roll in and seek to erode your confidence in God. Without a firm foundation in the truth of God's Word, you may be tempted to go off course and accept less than God's best for you. However, when you hear Jesus' words, receive them, and put them into practice, you will construct a life the torrents cannot shake, "because it was well built" (Luke 6:48). The Purple Book will help you understand foundational truths that God wants you to hear on topics such as sin, salvation, spiritual gifts, prayer, worship, generosity, and evangelism. It will show you how the Bible is "God-breathed and is useful for teaching, rebuking, correcting and training in righteousness" (2 Timothy 3:16). It will help you understand that the faith you hold has true power to change lives and transform nations. It will give you a solid foundation the enemy cannot dismantle—and a heart shaped by knowledge of God's Word.

New York Times bestselling author Julie Lythcott-Haims is back with a groundbreakingly frank guide to being a grown-up What does it mean to be an adult? In the twentieth century, psychologists came up with five markers of adulthood: finish your education, get a job, leave home, marry, and have children. Since then, every generation has been held to those same markers. Yet so much has changed about the world and living in it since that sequence was formulated. All of those markers are choices, and they 're all valid, but any one person 's choices along those lines do not make them more or less an adult. A former Stanford dean of freshmen and undergraduate advising and author of the perennial bestseller How to Raise an Adult and of the lauded memoir Real American, Julie Lythcott-Haims has encountered hundreds of twentysomethings (and thirtysomethings, too), who, faced with those markers, feel they 're just playing the part of "adult," while struggling with anxiety, stress, and general unease. In Your Turn, Julie offers compassion, personal experience, and practical strategies for living a more authentic adulthood, as well as inspiration through interviews with dozens of voices from the rich diversity of the human population who have successfully launched their adult lives. Being an adult, it turns out, is not about any particular checklist; it is, instead, a process, one you can get progressively better at over time—becoming more comfortable with uncertainty and gaining the knowhow to keep going. Once you begin to practice it, being an adult becomes the most complicated yet also the most abundantly rewarding and natural thing. And Julie Lythcott-Haims is here to help readers take their turn.

Dear friend, We know it deeply. It is so hard to juggle work, home, and spiritual life. As working women, we've wrestled with tough questions: -How can I be effective in my work, and stay committed to the Gospel? -How can I be dedicated to my family, when my job is so demanding? -Why am I working so hard, and still so unfulfilled? Sound familiar? Like you, we see a culture that promotes success at all costs, and working women are falling for it. It's happening every day. Priorities are shifting. Things are getting done... but are we doing what matters most? And that's why we wrote this book. This is the story of how we traded the lies of the world for the truth of our loving Father--the lessons we learned that challenged culture's "good things" so we could find the greatest thing. The book you're holding in your hands is really a conversation--a conversation that pushes back against our culture with a Gospel-centered approach to work and womanhood, for the glory of God and the good of others. Let's get to work. His way. Michelle + Somer "This is the book for every working woman!"--ALLI WORTHINGTON, bestselling author and business coach

Golding 's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.
