The revised FTCE Professional Education Test is already being administered, and the changes are major. Competencies on the test have been reduced from 14 to just 8. The exam is also now offered year round by appointment. This CliffsNotes test-prep book provides in-depth coverage of the changes, including the structure and format of the test, and an explanation of the scoring structure of the test. It also features frequently asked questions, competency reviews, and sample questions and answers, throughout. Included in the package are two, model full-length practice tests to ensure success on test-taking day.

Written by well-respected authors, the Cambridge Checkpoint Mathematics suite provides a comprehensive structured resource which covers the full Cambridge Secondary 1 Mathematics framework in three stages. This brightly illustrated Coursebook for Stage 9 offers a comprehensive introduction to all topics covered in the syllabus. Worked examples show students how to tackle different problems, and plenty of exercise questions prepare students for the different types of questions they will face in their Checkpoint exam. Coverage of the Problem Solving framework is integrated throughout the course, with questions relating to the Problem Solving framework statements highlighted in the Coursebook. There is an accompanying Practice Book and Teacher's Resource CD-ROM available separately.

Achieve maximum potential using step-by-step guidance that helps to practise skills learned and improve exam technique. - Build confidence with practical study tips and effective revision strategies. - Reinforce understanding with clear explanations of every topic covered in the Cambridge Lower Secondary Checkpoint Mathematics curriculum framework: Number, Algebra, Geometry and Measure, Statistics and Probability. - Strengthen and test knowledge with a range of exercises, worked examples and Thinking and Working Mathematically questions. Test questions, worked solutions and answers are available free online at [www.hoddereducation.com/cambridgeextras](http://www.hoddereducation.com/cambridgeextras)
