Bing cherry trees have a rounded canopy of long, dark green leaves with serrated edges that turn golden in the fall. The bark is smooth and reddish, with corky stripes. Bing cherries produce deep red-purplish fruit that is meaty with a small seed inside. Fragrant white flowers bloom in spring.

### Everything You Need to Know About Bing Cherry Trees - This ...

These cherry trees typically take about 4 to 7 years after planting to bear fruit. Sweet cherry trees will yield approximately 15-20 quarts for dwarf trees, and 30-50 quarts for semi-dwarf trees. The yield will vary based on sunlight, available nutrients, soil quality/drainage and local weather conditions during the season.

### Cherry Trees - RainTree Nursery

Wishing he could forget witnessing a woman's murder, a traumatized Rob begins to have suspicious accidents that his family is too busy to notice, in a rerelease of a best-selling mystery classic by the Edgar Award-winning author of The Girl With the Silver Eyes. Simultaneous and eBook.

A heartwarming look at love, loss, and memorable objects through the eyes of a child After her grandfather's death, a young girl wanders through his house. As she tours each room, the objects she discovers stir memories of her grandfather—her baba bozog. His closet full of clothes reminds her of the mints he kept in his pockets. His favorite teacup conjures thoughts of the fig cookies he would offer her. The curtains in the living room bring up memories of hide-and-seek games and the special relationship that she and her baba bozog shared, even though they spoke different languages. The Sour Cherry Tree is an authentic look at death and loss centred on the experiences of a child, both strikingly whimsical and matter-of-fact. Drawing on the Iranian-Canadian author's childhood memories, this tender meditation on grief, love, and memory is at once culturally specific and universally relatable.

A beautiful gift book commemorating the nation's most cherished springtime tradition, the National Cherry Blossom Festival, through original works of art from the Library of Congress collections Experience the splendor of the annual spring viewing of the nation's sakura (cherry blossoms) with this stunning keepsake book. Original artwork, photographs, and objects from the Library of Congress collections illuminate the story of these landmark trees and how they came to the nation's capital as a symbol of friendship with Japan. More than one million visitors from the US and abroad gather each year to enjoy Washington's glorious profusion of cloud-like blossoms and join in the festivities. Cherry Blossoms: Sakura Collections from the Library of Congress showcases exquisite watercolor drawings of blossom varieties among the original cherry trees, Japanese woodblock prints by such master artists as Kiyonaga and Hiroshige, early 3-D stenographs and contemporary photos of the Tidal Basin cherry blossoms, mementos from a former cherry blossom princess, posters of the festival, and more. These works offer the opportunity to explore Japanese culture while celebrating Washington's beloved cherry blossoms.

Presents the story of Eliza Scidmore, a world traveler, writer, photographer, and peace advocate who, after years of persistence, planted cherry trees all across Washington, D.C.

A series of stories describes the tall tale adventures of a boy and his grandfather with some of the creatures living near their home in central Pennsylvania.

This series provides a quick-read introduction to key events in history. This volume looks at the September 11th terrorist attacks on the United States in 2001.

Ten-year-old Mafalda hides the fact that she is going blind from her family and friends in this lyrical, bittersweet debut novel from Italian author Paola Peretti that shows you how to overcome the darkness—even when you can't see the light at the end of the tunnel. There are a lot of things ten-year-old Mafalda cares a lot about. Like, counting the stars in the night sky, playing soccer, and climbing the cherry tree outside her school. Mafalda even goes so far as to keep a list of all these things, because soon she won't be able to do them anymore!because she's going blind. Even with her bad eyesight Mafalda can see that people are already treating her differently/and that's the last thing she wants. So, she hides the fact that her vision is deteriorating faster than anyone predicted, and she makes a plan: When the time is right, she'll go live in the cherry tree, just like her favorite book character. But as Mafalda loses her sight, surprising things come in to focus. With the help of her family and friends both old and new, Mafalda discovers the things that matter most.

This book is a stunningly beautiful record of the nation's biggest springtime festival. As the 100th anniversary of the National Cherry Blossom Festival approaches in the Spring of 2012, millions of people from across the country will gather to revel in the beauty of the Cherry Blossoms. Capturing the true essence of spring, Blunt's striking photography will also allow those who are unable to travel to the festival the chance to experience the splendor of the blooming cherry blossoms through his photography.

With a wholly original voice, this stunning debut novel captures the overwhelming transformation from childhood to adolescence An ordinary suburban Connecticut summer in the seventies is the stage for the miraculous world of Timmy. Twelve years old and full of boundless curiosity, Timmy lives an ever-expanding life of record collections (of which Elton John is king), neighborhood bullies (of whom Franky DiLorenzo rules), best friends, and the darker, more lasting secrets of family. Over the course of the summer, Timmy will kill a frog, lose his baseball-card collection, alienate a friend, and witness his parents' separation. An intruder will hide in his treehouse; his mother will threaten divorce; his father will move out and back in. Timmy's childhood will end and his adolescence begin. One of the most remarkable child narrators to come along in recent years, Timmy is the achievement of a stunning new voice in American fiction. In the Cherry Tree is an additively clever and appealing novel of our universal coming of age. "Pop's dialogue is heartbreaking and real; his characters sympathetic in their gross imperfections." - Booklist

There were eggs in every bird's nest, the air buzzed with honeybees, and cherry trees blossomed all at once. The poor villagers forgot their cares and gathered in the meadow to sing and dance their time away. But their miserly landlord refused to be happy. Mumbling and grumbling, he sat all alone eating a bowl of cherries and glaring at the merry villagers. Then, quite by accident, he swallowed a cherry pit. The pit began to sprout, and soon the landlord was the wonder of the village!a cherry tree was growing out of the top of his head! What happened to the cherry tree and to the wicked landlord is a favorite joke in Japan. Allen Say tells the story with wit and vitality, and his beautiful drawings complement this classic Japanese tale.
