Everyone's heard the rumours. Call Tall Jake and he'll take you to Malice, a world that exists inside a horrifying comic book. A place most kids never leave. Seth and Kady think it's all a silly myth. But then their friend disappears, and suddenly the rumours don't seem so silly.

Seifer Tombchewer, a peasant boy living in the macabre Darkling Realm, proves his worth when he is forced to impersonate the missing Prince Talon Pandemonium as diplomat, warrior, and Lord Defender of the Realm.

The final exam is survival. Paul is the new kid at Mortingham Boarding Academy, and he has a dark secret. Caitlyn admires Paul from afar and resents that he only has eyes for Erika. Erika thinks that she and Caitlyn are best friends, but she's wrong. Adam is a bully with a major chip on his shoulder. Mark is outgrowing his old friends but doesn't know how to make new ones. In a few short hours, none of this will matter. Without warning, a horrifying infection will spread across the school grounds, and a group of students with little in common will find themselves barricaded in a classroom, fighting for their lives. Some will live. Some will die. And then it will get even worse. Fast-paced and frightening, Silver is a tale set on the fringes of science and horror - a story about the struggle to survive in the face of impossible odds.

Having escaped from the comic book world of Malice alone, Seth must decide whether to remain there, or return to Malice, where his best friend Kady is trapped and plotting to overthrow Tall Jake with the help of a rebel group called Havoc.
