Christy struggles to understand her pupils, their insular mountain culture, and ultimately her own faith and what it means to her. Unlike many evangelical novels, faith is not the character's sole concern: Christy spends plenty of time worrying about how to get new b I am not normally a fan of evangelical novels, but "Christy" is an exception.

The train taking nineteen-year-old teacher Christy Huddleston from her home in Asheville, North Carolina, might as well be transporting her to another world. The Smoky Mountain community of Cutter Gap feels suspended in time, trapped by poverty, superstitions, and century-old traditions. But as Christy struggles to find acceptance in her new home, some see her — and her one-room school — as a threat to their way of life. Her faith is challenged and her heart is torn between two strong men with conflicting views about how to care for the families of the Cove. Yearning to make a difference, will Christy’s determination and devotion be enough?

In the year 1912, nineteen-year-old Christy Huddleston leaves home to teach school in the Smoky Mountains -- and comes to know and love the resilient people of the region, with their fierce pride, their dark superstitions, their terrible poverty, and their yearning for beauty and truth. But her faith will be severely challenged by trial and tragedy, by the needs and unique strengths of two remarkable young men, and by a heart torn between true love and unwavering devotion. And don't miss another heart-soaring bestseller from Catherine Marshall: Julie

While high school graduate Christy Miller visits relatives in Wisconsin, and fifteen-year-old Sierra Jensen vacations with a friend in Montana, each is challenged to make decisions about her friendships and her future, and those decisions lead both to England, where they meet and become friends.

"Immensely talented... Christy’s muscular, vivid writing and John le Carré-esque talent for thrusting us deep into unfamiliar territory ensure that what could lapse into cliché instead sounds fresh and exciting... Klay is a great, flawed hero, in the vein of the classic hard-drinking, hard-living, hard-loving loner.”--New York Times Book Review
In this intricate and propulsive thriller--from National Geographic’s founder of Special Investigations--Tom Klay an investigative reporter leading a double life as a CIA spy, discovers that he has been weaponized in a global game of espionage pitting him against one of the world’s most ruthless men. Tom Klay is a celebrated investigative wildlife reporter for the esteemed magazine The Sovereign. But Klay is not just a journalist. His reporting is cover for an even more dangerous job: CIA agent. Klay’s press credentials make him a perfect spy--able to travel the globe, engage both politicians and warlords, and openly record what he sees. When he needs help, the Agency provides it to him, and asks little in return. But while on assignment in Kenya, Klay is attacked and his closest friend is murdered. Soon Klay’s carefully constructed double life unravels as his ambition turns to revenge. The CIA has an answer. Klay is offered a devil’s bargain to capture the man who killed his friend by infiltrating the offices of the woman he once loved, South Africa’s special prosecutor, Hungry Khoza. But Klay soon discovers that he and Hungry are part of a larger, more lethal game--one that involves a ruthless mercenary and a global superpower. The deeper he digs, the more Klay realizes that everything he thought he knew about his work may have been a lie, and his sworn enemy may be his only ally. In this riveting, timely thriller, the lines between good and evil blur, and absolutely nothing is as it seems.

"From the prize-winning author of The Beekeeper of Aleppo, a stunning novel about the disappearance of a Sri Lankan nanny and how the most vulnerable people find their voices. "It began with a crunch of leaves and earth. So early, so cold, the branches shone with ice. I'd returned to collect the songbirds. They are worth more than their weight in gold." Yiannis is a poacher, trapping the tiny protected songbirds that stop in Cyprus as they migrate each year from Africa to Europe and selling them on the black market. He dreams of finding a new way of life, and of marrying Nisha, who works on the island as a nanny and maid--having left her native Sri Lanka to try to earn enough to support her daughter, left behind and raised by relatives. But Nisha has vanished; one evening, she steps out on a mysterious errand and doesn't return. The police write off her disappearance as just another runaway domestic worker, so her employer, Petra, undertakes the investigation. Petra's unravelling of Nisha's last days in Cyprus lead her to Nisha's friends--other maids in the neighborhood--and to the darker side of a migrant's life, where impossible choices leave them vulnerable, captive, and worse. Based on the real-life disappearance of domestic workers in Cyprus, Christy Lefteri has crafted a poignant, deeply empathetic narrative of the human stories behind the headlines. With infinite tenderness and skill, Songbirds offers a triumphant story of the fight for truth and justice, and of women reclaiming their lost voices"--

Mathewson, one of the towering figures in baseball history, won 373 games in 17 seasons, all but one of those victories for the New York Giants. After his playing career, he was a manager, army officer and baseball executive, played a role in the unraveling of the Black Sox, and fought a courageous battle against tuberculosis. A man with a keen sense of honor and responsibility for both private and public obligations, he was adored by the public as a real-life Frank Merriwell. In the decades since his death, the perception of Mathewson has changed remarkably little. This biography documents in great depth his life on and off the baseball field, and draws from sources, old and new, to let Mathewson's life speak for itself. Not many sports figures can withstand such scrutiny.

How to reclaim your time, money, health, and happiness in our toxic diet culture by a registered dietician, journalist, and host of the "Food Psych" podcast
68 percent of Americans have dieted at some point in their lives. But upwards of 90% of people who intentionally lose weight gain it back within five years. And as many as 66% of people who embark on weight-loss efforts end up gaining more weight than they lost. If dieting is so clearly ineffective, why are we so obsessed with it? The culprit is diet culture, a system of beliefs that equates thinness to health and moral virtue, promotes weight loss as a means of attaining higher status, and demonizes certain ways of eating while elevating others. It's sexist, racist, and classist, yet this way of thinking about food and bodies is so embedded in the fabric of our society that it can be hard to recognize. It masquerades as health, wellness, and fitness, and for some, it is all-consuming. In Anti-Diet, Christy Harrison takes on diet culture and the multi-billion-dollar industries that profit from it, exposing all the ways it robs people of their time, money, health, and happiness. It will turn what you think you know about health and wellness upside down, as Harrison explores the history of diet culture, how it's infiltrated the health and wellness world, how to recognize it in all its sneaky forms, and how letting go of efforts to lose weight or eat "perfectly" actually helps to improve people's health -- no matter their size. Drawing on scientific research, personal experience, and stories from patients and colleagues, Anti-Diet provides a radical alternative to diet culture, and helps readers reclaim their bodies, minds, and lives so they can focus on the things that truly matter.

The early days of baseball are chronicled in this story of the friendship between Christy Mathewson, one of baseball's first superstars, and New York Giants manager John McGraw, in a volume celebrating the centennial of the first World Series in which a New York team played. Reprint. 50,000 first printing.

Christy Miller is now an independent nineteen-year-old college student living in Switzerland, where she's been attending an international university. After being on her own for nearly a year, Christy is surprised and delighted when her two closest friends, Todd and Katie, come to Switzerland to spend the summer break traveling around Europe. The three of them have very different expectations for the trip that threaten to make the time together much less pleasant than it could be. The tension increases when time runs short, and Christy is overwhelmed with the realization that she will soon have to say good-bye to Todd all over again. Do they have the kind of love that will last until tomorrow?

The first nine books in the popular Christy Miller series are now available in three treasured volumes
Bestselling author Robin Jones Gunn packs each one with enough action, romance, and drama to keep you reading and wanting more. It all starts the summer Christy vacations on a California beach and meets two friends who change her life forever. But after moving across the country with her family, Christy must begin her sophomore year of high school uncertain where she'll fit in. A red-headed new best friend, a try at cheerleading, a job at a pet store, and expectations for the prom fill Christy's high school years with a string of laughter-and-tears moments. Fireball Katie keeps everyone guessing what she'll do next, and surfer Todd keeps showing up while popular Rick has determined to get her full attention As these memorable years unfold, Christy and her God-loving friends find out what it means to be a "peculiar treasure." Follow Christy Miller as she stays true to her identity in Christ, drawing closer to God for help in realizing her dreams and dealing with her disappointments. Whether you're meeting her for the first time or have known her for years-- Christy Is a Forever Friend
Summer Promise
Fourteen-year-old Christy Miller has the dream summer ahead of her in sun-kissed California, staying with her aunt and uncle at their beachfront home. Aunt Marti loves to shop, and those surfers are cute--especially Todd. Christy promised her parents she wouldn't do anything she'd regret later, and some of her beach friends are a little wild. But Todd and his "God-Lover" friends are giving Christy a new image of all things eternal. Can this summer live up to its promise? A Whisper and a Wish
Christy's family has moved to California just in time for her sophomore year of high school. But they're not in Newport Beach, where she spent the summer. Instead they're an hour and a half away and Christy has to start all over making friends. Despite an embarrassing escapade at a slumber party, things are going pretty well...until some midnight fun leads to a trip to the police station. Does God really hear every whisper? Does He know our every wish? Then why is it so hard to know who your friends really are? Yours
Forever Christy is back at Aunt Marti and Uncle Bob's house on the beach for the entire week between Christmas and New Year's...and Todd is in town, too
The cute surfer completely captured Christy's heart last summer, and she's eager to spend every possible minute with him. But soon Christy and her aunt are barely speaking, and it seems like all her friends are mad at her, too--including Todd
Is he hers or isn't he? And why would God let things get so tangled?
Story Behind the Book
"The Christy Miller series was actually born when a group of thirteen-year-olds challenged me to write a novel. I'd been questioning the content of their favorite books when they said, 'Why don't you write a book for us?' I told them no, I only wrote picture books. But they persisted: 'How hard could it be? We'll even tell you what to write
We want a love story with teenagers at the beach.' And there you go. Summer Promise first released seventeen years ago and is now translated into five languages. I continue to hear from readers all over the world, many girls saying that they

gave their life to Christ after reading Summer Promise. I love that " --Robin Jones Gunn
