Haynes manuals are written specifically for the do-it-yourselfer, yet are complete enough to be used by professional mechanics. Since 1960 Haynes has produced manuals written from hands-on experience based on a vehicle teardown with hundreds of photos and illustrations, making Haynes the world leader in automotive repair information.

Embark on an exciting journey from a presidential race to a chess tournament with nunneries, harrowing races, and crime fighting in between through the mind of a young dreamer and her many stories. Yastika Singh intends to prove that every kid can be whatever he or she wants to be as long as he or she shows courage and does not give up. Quail Lortano is the first female President of the United States of America, but she has

to overcome many challenges and her own lack of confidence to get there. Pearl Shoelock discovers the magic of the chessboard. Bonto Lansing always dreamed of winning a cross-country race. On the day of the big race, though, his life takes an unexpected turn. In other stories, Sister Sylvia finds the daring to share her writing talent with the world. Tom Mildew finally learns to appreciate his fathers work. This is a world of enchantment, built from Yastikas own experience. Through this collection, she portrays characters that pursue their dreams and never give up, just like Yastika, as this book is her dreamcome true.

Haynes disassembles every subject vehicle and documents every step with thorough instructions and clear photos. Haynes repair manuals are used by the pros, but written for the do-it-yourselfer.

With a Haynes manual, you can do it yourself...from simple maintenance to basic repairs. Haynes writes every book based on a complete teardown of the vehicle. We learn the best ways to do a job and that makes it quicker, easier and cheaper for you. Our books have clear instructions and hundreds of photographs that show each step. Fear of change—we all experience it. Some accept change immediately, some gradually adapt, while others may never get there. Whether it's poor leadership, the inability to change, or pure ego, this Shingo Prize-winning book explores this perplexing commitment to inefficiency. Winner of a 2013 Shingo Prize! *The Psychology of Lean Improvements: Why Organizations Must Overcome Resistance and Change the Culture* examines the psychology behind why businesses avoid Lean transformations. It investigates why businesses cling to the eight deadly wastes and why they still find ways to place continuous improvement on the back burner.

Frequently sought out for his expertise in Lean manufacturing, Chris Ortiz has been featured in a number of trade publications and on the television show Inside Business with Fred Thompson. In this book, Mr. Ortiz breaks down the fear of change within executives and organizational leaders. He examines the psychology of dysfunction, provides insight into why so many businesses fall short in creating visions for growth and prosperity, and identifies tools that can help you address resistance to change. Detailing implementation techniques with a proven track record for success, the book considers specific strategies that can be helpful towards improving your company and changing its culture—including cellular manufacturing, total productive maintenance, setup reduction, Kanban, visual communication, and in-line production. It explains how to get started on your Lean transformation, describes why an economic downturn might be a good time to embrace Lean, and warns of the dangers behind failing to do so. Chris A. Ortiz is the founder and president of Kaizen Assembly, a Lean manufacturing training and implementation firm in Bellingham, Washington. Watch Chris has being interviewed on Inside Business with Fred Thompson on CNN Headline News. (<http://www.youtube.com/watch?v=LMm3fVsbPtM>)
