11th Bio

The institutionalization of History and Philosophy of Science as a distinct field of scholarly endeavour began comparatively early- though not always under that name - in the Australasian region. An initial lecturing appointment was made at the University of Melbourne immediately after the Second World

Get Free Chs 11th Bio

War, in 1946, and other appointments followed as the subject underwent an expansion during the 1950s and 1960s similar to that which took place in other parts of the world. Today there are major Departments at the University of Melbourne, the University of New South Wales and the University of W
