Imperfect Tense is a meditation on language, and the poems in this collection are grounded in teaching, learning, and living

between languages and cultures. Much like the imported "dragon fruit," these poems grasp displacement as opportunity; they relish in perpetual outsider-ness as a way inside a fundamentally shared human condition. The first section of three, "Imperfect Tense" is a specific meditation on Americans' pursuits of Spanish as a second language. "Past Tense" revolves around experiences as an English language and poetry teacher working with immigrant communities. Finally, "Ever Present Tense" is a meditation on the language of family.

Loosely based on Napoleon Hill's seminal title, *Think and Grow Rich*, *Settle for Best* lists the common mindsets and actions of renowned philanthropist millionaires from the early 20th century and encourages readers to develop and rely on the skills and mindsets that successful people still use to win big, no matter what shape the economy is in. Written for start-up entrepreneurs and anyone else anyone in search of the "keys to the kingdom" in whatever realm you travel, *SETTLE FOR BEST* will encourage, inspire and light a fire under you if you truly want to build the life and legacy your heart most desires.

*Far-Out!* follows the life of four best friends; Nick, Jason, Franklin and Yumi, as they face their toughest challenge yet, the 8th Grade!

The child's diary that awakened the conscience of the world When *Zlata's Diary* was first published at the height of the Bosnian conflict, it became an international bestseller and was compared to *The Diary of Anne Frank*, both for the freshness

of its voice and the grimness of the world it describes. It begins as the day-to-day record of the life of a typical eleven-year-old girl, preoccupied by piano lessons and birthday parties. But as war engulfs Sarajevo, Zlata Filipovic becomes a witness to food shortages and the deaths of friends and learns to wait out bombardments in a neighbor's cellar. Yet throughout she remains courageous and observant. The result is a book that has the power to move and instruct readers a world away.

Thalia is dreaming of an extravagant 8th birthday party, but her parents say that they can't afford one this year. Can Thrifty Thelma persuade her little sister that being a smart shopper can actually be more fun than spending a lot of money?

A collection of irreverent, tongue-in-cheek, side-splittingly funny Tudor history spoofs from the insane, but rather clever, Ann Nonny. For the first time since the 16th century, we are able to share over 40 celebrated spoofs by Tudor literary genius (read mad woman) Ann Nonny. Her writing provides us with a unique insight into Tudor England, and the soap opera which was Henry VIII's life. Nonny's work will no doubt find its way into the annals of English history and be enjoyed for many centuries to come. Tales in this book include: 20 Things to Remember When Marrying Henry VIII The Second Boleyn Tart Bring Out Your Dead The Six Ex-Wives of Henry If Only There Had Been a Prenup ... and many more. We would like to warn you not to drink coffee or any other beverage while reading this book. This book is definitely not for children...
