IT'S A THIN LINE BETWEEN ALIVE AND UNDEAD.

Chess Putnam has a lot on her plate. Mangled human corpses have started to show up on the streets of Downside, and Chess's bosses at the Church of Real Truth have ordered her to team up with the ultra-powerful Black Squad agency to crack the grisly case. Chess is under a binding spell that threatens death if she talks about the investigation, but the city's most notorious crime boss'and Chess's drug dealer'gets wind of her new assignment and insists on being kept informed. If that isn't bad enough, a sinister street vendor appears to have information Chess needs. Only he's not telling what he knows, or what it all has to do with the vast underground City of Eternity. Now Chess will have to navigate killer wraiths, First Elders, and a lot of seriously nasty magical! while coping with some not-so-small issues of her own. And the only man Chess can trust to help her through it all has every reason to want her dead.

THE DEPARTED HAVE ARRIVED. The world is not the way it was. The dead have risen, and the living are under attack. The powerful Church of Real Truth, in charge since the government fell, has sworn to reimburse citizens being harassed by the deceased. Enter Chess Putnam, a fully tattooed witch and freewheeling ghost hunter. She's got a real talent for banishing the wicked dead. But Chess is keeping a dark secret: She owes a lot of money to a murderous drug lord named Bump, who wants immediate payback in the form of a dangerous job that involves black magic, human sacrifice, a nefarious demonic creature, and enough wicked energy to wipe out a city of souls. Toss in lust for a rival gang leader and a dangerous attraction to Bump's ruthless enforcer, and Chess begins to wonder if the rush is really worth it. Hell, yeah. BONUS: This edition contains an excerpt from Stacia Kane's Unholy Magic.

The third book in this gritty, sexy urban fantasy trilogy. If you liked the compelling characters in 50 Shades of Grey, you'll love the Downside Ghosts series.

When someone with a penchant for black magic starts tampering with Downside's drug supply, making customers pay with their souls, magic-wielding Churchwitch Chess Putnam must stop this dark wave of death-magic while dealing with the war brewing between the two men in her life. Original. 20,000 first printing.

READING, WRITING, AND RAISING THE DEAD When Chess Putnam is ordered by an infamous crime boss'who also happens to be her drug dealer'to use her powers as a witch to solve a grisly murder involving dark magic, she knows she must rise to the challenge. Adding to the intensity: Chess's boyfriend, Terrible, doesn't trust her, and Lex, the son of a rival crime lord, is trying to reignite the sparks between him and Chess. Plus there's the little matter of Chess's real job as a ghost hunter for the Church of Real Truth, investigating reports of a haunting at a school in the heart of Downside. Someone seems to be taking a crash course in summoning the dead'and if Chess doesn't watch her back, she may soon be joining their ranks. As Chess is drawn into a shadowy world of twisted secrets and dark violence, it soon becomes clear that she's not going to emerge from its depths without making the ultimate sacrifice.

As a Debunker, Chess Putnam is used to investigating reports of suspected hauntings and sending ghosts back to the City of Eternity beneath the surface of the earth. What she isn't used to is having suburban housewives refusing to acknowledge the presence of ghosts in their homes. There are lots of reasons why someone might harbor a spirit, and none of them are good. At least Chess has Terrible on her side. But things are never as black and white as they seem, especially not when love is involved, and Chess finds herself making a decision she never thought she'd make.

BONUS: This edition contains an excerpt from Stacia Kane's City of Ghosts. ENEMIES DON'T NEED TO BE ALIVE TO BE DEADLY. For Chess Putnam, finding herself near-fatally poisoned by a con psychic and then stopping a murderous ghost is just another day on the job. As an agent of the Church of Real Truth, Chess must expose those looking to profit from the world's unpleasant little poltergeist problem!humans filing false claims of hauntings!all while staying off any undead who really are looking for a kill. But Chess has been extra busy these days, coping with a new !celebrity! assignment while trying on her own time to help some desperate prostitutes. Someone's taking out the hookers of Downside in the most gruesome way, and Chess is sure the rumors that it's the work of a ghost are way off base. But proving herself right means walking in the path of a maniac, not to mention standing between the two men in her life just as they!along with their ruthless employers!are moving closer to a catastrophic showdown. Someone is dealing in murder, sex, and the supernatural, and once again Chess finds herself right in the crossfire.

Karen Marie Moning raves that Stacia Kane "delivers dark, sexy urban fantasy at its finest." Now Kane introduces her most addictive antihero yet: a Las Vegas PI who makes his own luck'and embodies everything that's oh-so-right with Sin City. A lot of bad hands get dealt in Vegas, but E. L. Spears may be holding one of the worst: He's cursed with the need to commit sins, and if he misses his daily quota, there's hell to pay!literally. Fortunately, his hometown affords him plenty of chances to behave badly. But Spears's newest case really has him going out on a limb. The right-hand man of a notorious crime boss has been found dead in a Dumpster'minus his right hand, not to mention the rest of his arm. What catches Spears's attention, however, is that the missing appendage was severed clean by a demon-sword, a frighteningly powerful tool of the underworld. Spears's out of his element, so he turns to a specialist: Ardeth Coyle, master thief, dealer in occult artifacts, and bona fide temptress. Ardeth's hotter than a Las Vegas sidewalk on the Fourth of July, but she's one sin Spears has to resist. The dismembered corpses are piling up, unimaginable evil lurks in the shadows, and if this odd couple hopes to beat the odds, Spears needs to keep his hands off Ardeth, and his head in the game.
