Complete with a state-by-state analysis of the ways in which the class action rules differ from the Federal Rule of Civil Procedure 23, this comprehensive guide provides practitioners with an understanding of the intricacies of a class action lawsuit. Multiple authors contributed to the book, mainly 12 top litigators at the premiere law firm of Fulbright and Jaworski, L.L.P.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

This manual guides the practitioner through the multiple steps necessary to procedurally ready a case for trial and is the perfect compliment to Florida Civil Trial Practice. This popular reference includes recent significant changes made by case law, statutes, and rules amendments. Highlights of the new Eleventh Edition include discussions of: • Drafting Jury Instructions - revised checklist for preparing scientific expert testimony jury instructions based on the recently adopted Daubert standard and the 2013 Florida Supreme Court approved Florida Standard Jury Instruction in contracts and business. • Updated statutes, rules, and case law. Discussion of hot topics including: • Recent amendments relating to electronically stored information. • The Florida Revised Limited Liability Act relating to service of process on Limited Liability Companies. • Recent amendments relating to the minimization of personal information throughout the discovery process. • The Florida Supreme Court's holding that having a cap on noneconomic damages in certain instances is unconstitutional. • The Florida Supreme Court's recent decision discussing legislative privilege and holding that such privilege is not absolute. The eBook versions of this title feature links to Lexis Advance for further legal research options.

Florida Civil Trial Preparation includes new user-friendly formatting, and addresses amended rules, revised statutes, and new case law, including the following: Revised statutes and rules addressing: Admissibility of expert testimony Required content of motions Confidentiality of mediation sessions New case law addressing Severing or consolidating claims, amending pleadings, and adding punitive damages claim to complaint Electronic discovery, privileged information, and sanctions for failing to comply with discovery orders Basis for and effect of disqualifying the trial judge Attorney's potential liability following withdrawal Offers of settlement, and wisdom and effect of voluntary dismissal The edition is replete with valuable practice

To help advance your case smoothly and efficiently, the Florida Practitioner's Guide®: Civil Trial Preparation provides detailed coverage of trial notebooks, pretrial motions, discovery, and evidentiary issues. Settlement options are also explored in detail as an alternate to trial. In addition to addressing amended rules, revised statutes, and new case law, the Tenth edition provides updated forms and coverage of the following hot topics: COVID-19 pandemic's impact on trials and depositions Current judicial split over the award of punitive damages and express or affirmative findings Award of attorneys' fees and requests for admission that would resolve the ultimate issues, if admitted, versus requests for admissions that go to establishing a relevant fact Florida courts' recent holding that an order granting a motion to sever is not an appealable nonfinal order Court-ordered, nonbinding arbitration and the recent determination that a ""request for a trial de novo,"" has the same meaning as a ""motion for trial""

FasTrain Florida Civil Trial Preparation is designed to guide the attorney through all phases of trial preparation, from interviewing the client to preparing the closing argument and jury instructions. Details regarding trial notebooks, pretrial motions, discovery, and evidentiary issues are provided to help the attorney focus and advance the case, and settlement options are explored as a prudent alternative to trial.

Each phase of preparation is individually covered, and thoroughly cross-referenced. Ervin Gonzalez, an outstanding, nationally recognized trial attorney, generously shares his valuable practice strategies and guidance in this thorough, easily digestible manual. Highlights of this edition include recent rule amendments addressing: • case management conference requirements; • electronic filing of pleadings; • electronic service of pleadings and documents; and • computation of time. Additionally, new articles and case law are discussed addressing issues such as: • disqualification of judges; • discovery of electronically stored information and privileged information; • remedies for failure to comply with discovery orders; • motions for summary judgment and responses thereto; and • exceptions to the right of voluntary dismissal.
