serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

An account of the senseless murder of a Kansas farm family and the search for the killers

Truman Capote and the Legacy of 'In Cold Blood' is the anatomy of the origins of an American literary landmark and its legacy.

Review of Books)—and haunted its author long after he finished writing it. On November 15, 1959, in the small town of Holcomb, Kansas, four members of the Clutter family were savagely murdered by blasts from a shotgun held a few inches from their faces. There was no apparent motive for the crime, and there were almost no clues. In one of the first non-fiction novels ever written, Truman Capote reconstructs the murder and the investigation that led to the capture, trial, and execution of the killers, generating both mesmerizing suspense and astonishing empathy. In *Cold Blood* is a work that transcends its moment, yielding poignant insights into the nature of American violence.

In the latest volume in Ig's acclaimed Bookmarked series, award-winning author Justin St. Germain writes about his obsession with Truman Capote's *In Cold Blood* and the influence seminal true crime book had on his best-selling memoir about his mother's murder, *Son of A Gun*.

On November 15, 1959, in the small town of Holcomb, Kansas, four members of the Clutter family were savagely murdered by blasts from a shotgun held a few inches from their faces. There was no apparent motive for the crime, and there were almost no clues. both mesmerizing suspense and astonishing empathy. In Cold Blood is a work that transcends its moment, yielding poignant insights into the nature of American violence.

ABOUT THE BOOK Serialized in the New Yorker prior to publication in book form, "In Cold Blood" presents investigative journalism in the form of a novel, effectively combining literature and reporting. The New York Review of Books called it "The best documentary of an American crime ever written..." Other critics have not been so kind, citing fictionalized conversations, invented scenes, and fabricated events. Capote's narrative contains no footnotes, nor does he cite specific sources for any of the conversations in the book. By the time "In Cold Blood" appeared the end of the story was known. Both murderers had been tried, convicted and executed by hanging. The book's tremendous success stemmed from Capote's graphic depiction of the crime as well as his incisive and often empathetic descriptions of the killers. MEET THE AUTHOR Larry Holzwarth is a freelance writer and submarine veteran. A former US Navy systems analyst, he has been a corporate writer on diverse subjects, a professional trainer, recruiter and lecturer. A lifelong student of history, he enjoys reading, camping, hiking and Reds baseball. After traveling extensively he returned to his native midwest where he resides near

Cincinnati. EXCERPT FROM THE BOOK Capote paints an image of a bucolic community, basking in the crisp sunshine of a November day as well as in small town American innocence. A prosperous and well respected farmer, admired in his community for his character as well as his family, Herb Clutter is the quintessential American father. Though his wife has been ill, with what would now be called depression, the community rallies around the family with support. Compared to this picture of small town happiness is the sordid world of small time criminals Perry Smith and Richard Hickock. They arrive in Holcomb, Kansas, armed with a bowie knife, a shotgun, and the erroneous information that the Clutter home housed a safe filled with a large amount of cash. They creep in and out of town in one night. In the morning the Clutter's are found dead, murdered by shotgun blasts delivered with the muzzle inches from each victim's head. They are discovered by a friend of 16-year-old Nancy Clutter, coming to join her friend for church that Sunday morning. Despite few clues, no hint of a motive, and conflicting theories amongst investigators, Alvin Dewey, lead investigator for the Kansas Bureau of Investigation and personal friend of Herb Clutter, vows to solve the crime. When he does, it is through a combination of luck and the killers' willingness to blame each other for the crimes. He obtains, through conflicting confessions, enough information

to build a case against the pair leading to their trial, conviction, and eventual execution. Buy a copy to continue reading!

1956. Argentina has just lost its charismatic president Juan Perón in a military coup, and terror reigns across the land. June 1956: eighteen people are reported dead in a failed Peronist uprising. December 1956: sometime journalist, crime fiction writer, studiously unpoliticized chess aficionado Rodolfo Walsh learns by chance that one of the executed civilians from a separate, secret execution in June, is alive. He hears that there may be more than one survivor and believes this unbelievable story on the spot. And right there, the monumental classic Operation Massacre is born. Walsh made it his mission to find not only the survivors but widows, orphans, political refugees, fugitives, alleged informers, and anonymous heroes, in order to determine what happened that night, sending him on a journey that took over the rest of his life. Originally published in 1957, Operation Massacre thoroughly and breathlessly recounts the night of the execution and its fallout.
