Brother and Sister Bear speculate on all the things they could grow up to be, including a bus driver, farmer, scientist, singer, and computer programmer.

If your hands can mix and mash, what job might you have? What if your hands reach, wrench, yank, and crank? The hands in this book—and the people attached to them—do all sorts of helpful work. And together, these helpers make their community a safe and fun place to live. As you read, keep an eye out for community members who make repeat appearances! Can you guess all the jobs based on the actions of these busy hands?

Little Critter goes to the dentist for a checkup, and finds that going to the dentist isn't so bad.

Introduces some of the many different types of workers a community needs, including builders, educators, medical professionals, emergency workers, and volunteers, and describes the work they do.
