Even if you have great characters, outstanding dialogue and a gripping plot, your story isn't complete without the appropriate setting. Setting is the unifying element in most fiction, working in concert with plot, characterization and point of view. Here you'll explore how to use setting as the basis for creating dramatic, engaging stories. Focusing on detail, language and observation, Jack Bickham's invaluable instruction will not only improve your ability to create a strong setting, but also enhance your writing skills as a whole. You'll learn:- the function of setting within the fiction writing process- how setting works with plot, characterization and point of view- the effect of setting on unity- ways to generate story ideas through setting- techniques for creating setting- how to use setting as a thematic device- methods for using setting to stimulate your reader's senses- how to incorporate factual information for texture and authenticity- exercises for improving your powers of observation- tips for recording ideas, events and descriptions using notebook entriesOver the course of his esteemed career, Jack Bickham published more than 80 novels and instructional books, including Writing Novels That Sell and the 38 Most Common Fiction Writing Mistakes (and How to Avoid Them). A former creative writing professor, he instructed thousands of writers through his classes, seminars and Writer's Digest magazine articles.

Description is most powerful when it's visible, aural, tactile. Make your descriptions fresh and they'll move your story forward, imbue your work with atmosphere, create that tang of feeling that editors cry for and readers crave. Monica Wood helps you squeeze the greatest flavor from the language. She segments description like an orange, separating its slices to let you sample each one. You'll learn about: Detail, and how you can use description to awaken the reader's senses of touch, taste, hearing, smell and sight Plot, from advancing story using only relevant description—and how to edit out sluggish, reader-stopping writing style, and the use of description to create a mood that matches your story's content Point of view, how selecting omniscient, first person or third person limited narrative influences the descriptive freedom you have Creating original word depictions of people, animals, places, weather and movement Wood teaches by example, developing stories with characters in various situations, to show you how you can apply description techniques. You'll also see samples of work by such noted writers as Mark Helprin, Anne Tyler and Raymond Carver. And you'll find the dos and don'ts, lists and descriptive alternatives to common verbs and nouns, and tips for editing your work.

Don't limit your fiction - LIBERATE IT All too often, following the "rules" of writing can constrict rather than inspire you. With Story Trumps Structure, you can shed those rules - about three-act structure, rising action, outlining, and more - to craft your most powerful, emotional, and gripping stories. Award-winning novelist Steven James explains how to trust the narrative process to make your story believable, compelling, and engaging, and debunks the common myths that hold writers back from creating their best work. • Ditch your outline and learn to write organically. • Set up promises for readers - and deliver on them. • Discover how to craft a satisfying climax. • Master the subtleties of characterization. • Add mind-blowing twists to your fiction. When you focus on what lies at the heart of story - tension, desire, crisis, escalation, struggle, discovery - rather than plot templates and formulas, you'll begin to break out of the box and write fiction that resonates with your readers. Story Trumps Structure will transform the way you think about stories and the way you write them. forever.

'Should appeal to all rugged individualists who dream of escape to the forest.'—The New York Times Book Review Sam Gribley is terribly unhappy living in New York City with his family, so he runs away to the Catskill Mountains to live in the woods—all by himself. With only a penknife, a ball of cord, forty dollars, and some flint and steel, he intends to survive on his own. Sam learns about courage, danger, and independence during his year in the wilderness, a year that changes his life forever. " An extraordinary book . . . It will be read year after year. " —The Horn Book
