### Copperhead The Starbuck Chronicles 2

Nathaniel Starbuck is a Copperhead: a northerner fighting for the rebel South in America's Civil War. Expelled from the Falconer Legion, Starbuck must travel a hard road before he can rejoin his comrades. He must join the shadowy war of betrayal and espionage, where nothing is certain and no one can be trusted.

Books similar to Copperhead (The Starbuck Chronicles, #2)

Copperhead (The Starbuck Chronicles). Author: Cornwell, Bernard. Book Binding: N/A. Book Condition: VERYGOOD. World of Books Ltd was founded in 2005, recycling books sold to us through charities either directly or indirectly.

Nate, a Yankee-turned-Confederate, finds his loyalties tested at the Battle of Ball's Bluff, 1862. It is the summer of 1862 and the Northern army is threatening to capture Richmond, the Confederate capital. Bloodied but victorious at the battles of Ball's Bluff and Seven Pines, Nate suddenly finds himself accused of being a Yankee spy. Proving his innocence and finding the real spy will require courage and endurance rarely seen even in the brutal fog of war. Failure could mean the fall of Richmond and a career-ending defeat for Robert E. Lee.

The second book in Bernard Cornwell's bestselling series on the American Civil War.

The third volume in the Starbuck Chronicles. The battle for control of Richmond, the Confederate capital, continues through the hot summer of 1862.

This novel continues the story of a nation torn apart by civil war, and the life of Nathaniel Starbuck, a Northerner fighting for the Southern cause. The story centres on the battle of Antietam, perhaps the bloodiest day in American history.

A sequel to *Cain at Gettysburg* reimagines a brutal 30-day period of the Civil War as experienced by Harvard valedictorian Union general Francis Channing Barlow, brawling Rebel colonel William C. Oates and a simple laborer destined to win the Medal of Honor.

“The most prolific and successful historical novelist in the world today.” *Wall Street Journal*  
“Readers who haven’t discovered Bernard Cornwell don’t know what they are missing.” *New York Times* bestselling author Vince Flynn From the *New York Times* bestselling author of *Agincourt*, the *Saxon Tales*, and the beloved *Richard Sharpe* series, Bernard Cornwell’s *The Fort* plunges prow-first into the largest naval clash of the Revolutionary War. Fans of the *Nathaniel Starbuck Chronicles* and *The Burning Land* will thrill to Cornwell’s triumphant return to American historical fiction in this gripping story of courage, strength and patriotism.

**BONUS:** This edition contains an excerpt from Steven Pressfield's *The Profession*. The author of the international bestsellers *Gates of Fire* and *Tides of War* delivers his most gripping and imaginative novel of the ancient world—a stunning epic of love and war that breathes life into the grand myth of the ferocious female warrior culture of the Amazons. Steven Pressfield has gained a passionate worldwide following for his magnificent novels of ancient Greece, *Gates of Fire* and *Tides of War*. In *Last of the Amazons*, Pressfield has surpassed himself, re-creating a vanished world in a brilliant novel that will delight his loyal readers and bring legions more to

his singular and powerful restoration of the past. In the time before Homer, the legendary Theseus, King of Athens (an actual historical figure), set sail on a journey that brought him into the land of tal Kyrte, the "free people," a nation of proud female warriors whom the Greeks called "Amazons." The Amazons, bound to each other as lovers as well as fighters, distrusted the Greeks, with their boastful talk of "civilization." So when the great war queen Antiope fell in love with Theseus and fled with the Greeks, the mighty Amazon nation rose up in rage. Last of the Amazons is not merely a masterful tale of war and revenge. Pressfield has created a cast of extraordinarily vivid characters, from the unforgettable Selene, whose surrender to the Greeks does nothing to tame her; to her lover, Damon, an Athenian warrior who grows to cherish the wild Amazon ways; to the narrator, Bones, a young girl from a noble family who was nursed by Selene from birth and secretly taught the Amazon way; to the great Theseus, the tragic king; and to Antiope, the noble queen who betrayed tal Kyrte for the love of Theseus. With astounding immediacy and extraordinary attention to military detail, Pressfield transports readers into the heat and terror of war. Equally impressive is his creation of the Amazon nation, its people, its rituals and myths, its greatness and savagery. Last of the Amazons is thrilling on every page, an epic tale of the clash between wildness and civilization, patriotism and love, man and woman.

It is autumn 1777, and the cradle of liberty, Philadelphia, has fallen to the British. Yet the true battle has only just begun. On both sides, loyalties are tested and families torn asunder. The young Redcoat Sam Gilpin has seen his brother die. Now he must choose between duty to a distant king and the call of his own conscience. And for the men and women of the prosperous

Becket family, the Revolution brings bitter conflict between those loyal to the crown and those with dreams of liberty. Soon, across the fields of ice and blood in a place called Valley Forge, history will be rewritten, changing the lives and fortunes of these men and women forever.

From New York Times bestselling author Bernard Cornwell, the sequel to *The Archer's Tale*—the spellbinding tale of a young man, a fearless archer, who sets out wanting to avenge his family's honor and winds up on a quest for the Holy Grail. In 1347, a year of conflict and unrest, Thomas of Hookton returns to England to pursue the Holy Grail. Among the flames of the Hundred Years War, a sinister enemy awaits the fabled archer and mercenary soldier: a bloodthirsty Dominican Inquisitor who also seeks Christendom's most holy relic. But neither the horrors of the battlefield nor sadistic torture at the Inquisitor's hands can turn Thomas from his sworn mission. And his thirst for vengeance will never be quenched while the villainous black rider who destroyed everything he loved still lives. "Cornwell writes the best battle scenes of any writer I've read past or present."—George R.R. Martin
