With food and weapons in short supply, survival is the biggest challenge of all.

Late summer, 1940. Hitler has conquered France. Now he intends to cross the Channel and defeat Britain before winter arrives. A group of young refugees led by British spy Charles Henderson faces a stark choice. To head south into the safety of neutral Spain, or go north on a risky mission to sabotage the German invasion plans. For official purposes, these children do not exist.

Fans of the *Divergent* and *Hunger Games* series will love *Wasteland*, the first installment of the *Wasteland* trilogy, by five-time Emmy Award–nominated writer Susan Kim and Edgar Award–winning Laurence Klavan. With heart-pounding thrills, this harrowing survival story is alive with action and intrigue. Welcome to

**the Wasteland**, a post-apocalyptic U.S. where no one lives past the age of 19. But an early death isn't the only doom waiting around the corner: Everyone is forced to live under the looming threat of rampant disease and brutal attacks by the variants—hermaphroditic outcasts that live on the outskirts of Prin. Esther doesn't care that her best friend, a variant, is considered “the enemy.” She doesn't care that Levi, who controls the Source, is the real enemy and might send his Taser boys after her if she makes one wrong move. Then she meets Caleb, and just possibly, she might have a chance at salvation.

Spring, 1941. German submarines are prowling the North Atlantic, sinking ships filled with the food, fuel and weapons that Britain needs to survive. With the Royal Navy losing the war at sea, six young agents must sneak into Nazi-occupied

Europe and sabotage a submarine base on France's western coast. If the submarines aren't stopped, the British people will starve.

Spring, 1943. The war is turning against Germany, but Hitler isn't giving up. In a secret bunker deep in occupied France, scientists are hard at work on Hitler's latest deadly weapon: code name FZG-76. Back in England Henderson's boys will need to undergo advanced sniper training if they've any chance of infiltrating the bunker. Parachuting into occupied France, they track down a secret dossier filled with invaluable material - and uncover the meaning of the enigmatic code. For official purposes, these children do not exist.

Ushamers agent, attempts to escape the German prison deep inside the enemy's territory.

An introduction to the history of Mexico covers such topics as indigenous peoples, the environment, the North American Free Trade Agreement, and current law enforcement efforts against the drug cartels.

Henderson's boys, part of a secret army of intelligence agents, have to parachute into enemy territory, travel cross-country, and outsmart a bunch of adults in order to achieve their objective.
