There are two paths in life: Should & Must. We arrive at this crossroads over and over again, and every day. And we get to choose. Starting out or starting over, making a career change or making a life change, the most life-affirming thing you can do is to honor the voice inside that says your have something special to give, and then heed the call and act. Many have traveled this road before. Here's how you can, too. #choosemust An inspirational gift book for every recent graduate, every artist, every seeker, and every career change.

It's your season to soar toward your destiny! It's your season to discover the power of being your sister's keeper! It's your season to re-author your story to reflect the handiwork of God! The journey you will embark upon will liberate you to:

- Know yourself more intimately
- Evoke

the power of your personal story and its relationship to your destiny • Discover your very own “safety pin” of faith • Chart your path toward the holiness and righteousness of God • Create sacred spaces where brokenness can be shared • Defy every label that was placed upon you • To help your sister give birth to her destiny

This proceedings volume provides a modern synopsis of recent studies concerning certain areas of language theory very close to applications. The topics covered range from image generation and developmental models to combinatorics of words and formal power series, as well as from fractals to computational complexity. Although the contributions represent ongoing research, much of the material is accessible to a reader with only a moderate previous

NOW A NATIONAL BESTSELLER

“This man is a gift from God to the world. This book is a gift from Al Sharpton to us. Let’s appreciate them both.”—Michael Eric Dyson

Beginning with a foreword by Michael Eric Dyson, *Rise Up* is a rousing call to action for our nation, drawing on lessons learned from Reverend Al Sharpton’s unique experience as a politician, television and radio host, and civil rights leader. *Rise Up* offers timeless lessons for anyone who’s stood at the crossroads of their personal or political life, weighing their choices of how to proceed. When the young Alfred Charles Sharpton told his mother he wanted to be a preacher, little did he know that his journey would also lead him to prominence as a politician, founder of the National Action Network, civil rights

activist, and television and radio talk show host. His enduring ability and willingness to take on the political power structure makes him the preeminent voice for the modern era, a time unprecedented in its challenges. In *Rise Up*, Reverend Sharpton revisits the highlights of the Obama administration, the 2016 election and Trump's subsequent hold on the GOP, and draws on his decades-long experience with other key players in politics and activism, including Shirley Chisholm, Hillary Clinton, Dr. Martin Luther King Jr. and more. The time has come to take a hard look at our collective failures and shortcomings and reclaim our core values in order to build a clear and just path forward for America. Our nation today stands at a crossroads—and change can't wait. "Full of history, honesty, and valuable suggestions, *Rise Up* should be a staple in every home, school and library as

an essential primer on civil and political rights in America.”—Martin Luther King, III “If you want to learn how to use your voice to change a nation, you should study closely this man—and this book.” —Van Jones “My Bed-Stuy (do or die) brother has been at the forefront of our battles again and again. From way back in da way back to this present revolution the world is in now, Rev. has been about Black Lives Matter from the jump, also at a time when it was not the most popular or hip thing to be about. I look forward, standing next to him, to see, to witness this new energy, this new day that is about to be in these United States of America.”—Spike Lee Don't miss Rev. Sharpton's new book, *Righteous Troublemakers: Untold Stories of the Social Justice Movement in America*.

The Character of Seventeenth-Century

Crossroads Should Must

French Protestantism and the Place of the Huguenot Refuge following the Revocation of the Edict of Nantes Thirty-seven years ago the late Emile-G. Leonard regretted that there were so few historical studies of seventeenth-century French Protestantism and no general 1 historical synthesis for the period as a whole. At the time Leonard's observation was accurate. Seventeenth-century French Protestantism traditionally remained a questionable and problematical subject for historians. All too frequently historians neglected it in favor of emphasizing its origins in the second-half of the sixteenth century and its renaissance since the French Revolution. When the rare historian broke his silence and considered French Protestantism in the seventeenth-century, was meager and generally ambivalent or negative. The historiographer his treatment of seventeenth-century French Protestantism

could only cite the outstanding works of Jean Pannier and Orentin Douen, which taken together emphasized the new pre-eminence of Parisian Protestantism in the seventeenth century, and the genuine works of synthesis by John Vienot and Matthieu Lelievre, which again had to be placed side by side in order to complete coverage of the whole of the seventeenth century. The only true intellectual history of seventeenth-century French Protestantism was the study by Albert Monod, which, however, dealt with the second-half of the century and, then, only in the broad context of both Protestant and Catholic thought responding to the challenge of modern rationalism.

Jaime Rivera thinks the worst is over. Starting a new school can't be that bad. Except it is, and not just because he can barely speak English. While his cousin Ángela fits in quickly, with new friends and after-school activities, Jaime struggles with even the idea of calling this strange place "home." His real home is with his parents, abuela, and the rest of the family; not here where cacti and cattle outnumber people, where he can no longer be himself—a boy from Guatemala. When bad news arrives from his parents back home, feelings of helplessness and guilt gnaw at Jaime. Gang violence in Guatemala means he can't return home, but he's not sure if he wants to stay either. The US is not the great place everyone said it would be, especially if you're sin papeles—undocumented—like Jaime. When things look bleak, hope arrives from unexpected places: a quiet boy on the bus,

a music teacher, an old ranch hand. With his sketchbook always close by, Jaime uses his drawings to show what it means to be a true citizen. Powerful and moving, this touching sequel to *The Only Road* explores overcoming homesickness, finding ways to connect despite a language barrier, and discovering what it means to start over in a new place that alternates between being wonderful and completely unwelcoming.

A single-volume compendium, published in a flip-over format, includes *The Gift of Fire*, in which champion of humankind Prometheus emerges in present-day Los Angeles; and *On the Head of a Pin*, in which breakthroughs in advanced animatronics lead to a reality-shattering discovery.

So close. We were so close to getting free.

## Crossroads Should Must

A few more deals here. A few more nasty secrets there. All in the name of the cause of course. Then she walked in at the wrong place, wrong time. Should we kill her? Keep her? Making the right decision was critical, but we were literally at a crossroads. That's how the top tier of Alpha Delta Omega inducted our unofficial fourth member. But we weren't who we said we were. And danger threatened us on every corner. She should be very afraid of us. Or should we be afraid of her?
