"You must choose, child. Choose now, and choose once, for once taken, the path becomes your fate." Magic is supposed to be easy; there's Black, White, and Green Magic, and once a Witch picks a path, that's really all she has to worry about. But for Darlena Agara, things just keep getting harder. She's torn between her best friend's choice of the Black path, and her on-again, off-again boyfriend's choice of the White path, so she tries to stall, waiting for divine inspiration. Darlena isn't expecting the form it takes, though. Hecate, the goddess of witchcraft, shows up in her living room and pressures her to choose her path, and Lena does something stupid; she declares that she'll be a Red Witch, something that doesn't exist...or does it? Now Lena's on the run, struggling to master the forces of chaos she now controls while at the same time staying out of the way of the crazy gods and goddesses who want her to use Red Magic to cause chaos. Turns out, Red Magic is real...and deadly. Will Lena learn enough about her power before it's too late, or will she become a walking disaster?

An all-new, original story, revealing a side of Sabrina not seen on the new NETFLIX show!

Drew Karpysbyn has made his mark with imaginative, action-packed work on several acclaimed videogames, including Mass Effect and Star Wars: Knights of the Old Republic, as well as in a succession of New York Times bestselling tie-in novels. Now Karpysbyn introduces a brilliantly innovative epic fantasy of perilous quests, tormented heroes, and darkest sorcery—a thrilling adventure that vaults him into the company of such authors as Terry Goodkind, Brandon Sanderson, and Peter V. Brett. Long ago the gods chose a great hero to act as their agent in the mortal world and to stand against the demonic spawn of Chaos. The gods gifted their champion, Daemron, with three magical Talismans: a sword, a ring, and a crown. But the awesome power at his command corrupted Daemron, turning him from savior to destroyer. Filled with pride, he dared to challenge the gods themselves. Siding with the Chaos spawn, Daemron waged a titanic battle against the Immortals. In the end, Daemron was defeated, the Talismans were lost, and Chaos was sealed off behind the Legacy's magical barrier the gods sacrificed themselves to create. Now the Legacy is fading. On the other side, the banished Daemron sits. And across the scattered corners of the land, four children are born of suffering and strife, each touched by one aspect of Daemron himself: wizard, warrior, prophet, king. Bound by a connection deeper than blood, the Children of Fire will either restore the Legacy or bring it crashing down, freeing Daemron to wreak his vengeance upon the mortal world. BONUS: This edition includes an excerpt from Drew Karpysbyn's The Scorched Earth. Praise for Children of Fire "[This intricately layered adventure breathes realism and overshadowing menace into ancient mythic archetypes, exposing the pain and wonder inherent in magic and the mingled hope and cynicism of modern fantasy.][Publishers Weekly (starred review)]A rousing quest fantasy . . . a fast-paced action-packed good and evil thriller.][SF Revu]From the first page of Children of Fire, Karpysbyn captures the reader's attention with his excellent, intricate storyline.][RT Book Reviews]Children of Fire stands on its own as a thoroughly entertaining tale. The book strikes a perfect balance between character driven storytelling and rich world building.][Roqoo Depot][Karpysbyn] is truly a master of world building. . . . I would recommend this title to any fan of the genre.][Among the Wreckage]Compulsively readable, wildly entertaining.][A Girl, A Boy and A Blog]Children of Fire is engrossing, and full of characters that are modern. . . . I thoroughly enjoyed Children of Fire and look forward for the next two books.][FANGirl Blog]Drew Karpysbyn weaves a rich, contrasting tapestry of epic story and doom. Gripping and compelling from first page to last, Children of Fire is a dark-chocolate fantasy; delightfully biting and delectable at once. Four ill-fated children born under a sign of chaos and flame carried me on a journey into an intriguing world of shadowy wonder. It is a spellbinding epic told with masterful craft. Well done, Drew!][Tracy Hickman, New York Times bestselling co-author of the Dragonlance and Death Gate series

After the disaster in Europe, Darlena is starting to get desperate. With Izzy's support, Darlena begins making fragile strides toward repairing the mess she made, but she just can't catch a break. As chaos runs rampant around her, Darlena begins to think that things would be better if she'd never become a Red Witch in the first place. But there's no way to change the past . . . is there? The final book in the Red Magic series brings Darlena face to face with impossible odds and a terrifying choice."

Daughter of the Forest is a testimony to an incredible author's talent, a first novel and the beginning of a trilogy like no other: a mixture of history and fantasy, myth and magic, legend and love.
