There's an old saying in real estate—caveat emptor, or “let the buyer beware.” This came from the fact that the seller usually pays the real estate commission. Since the seller is paying the agents, the buyer technically has no representation—so he should “beware.” But this is a phrase that goes far beyond real estate. Out in the real world of marketing and consumerism, “buyer ...

You Can Baby Step Your Way to Becoming a Millionaire Most people know Dave Ramsey as the guy who did stupid with a lot of zeros on the end. He made his first million in his twenties—the wrong way—and then went bankrupt. That's when he set out to learn God's ways of managing money and developed the Ramsey Baby Steps. Following these steps, Dave became a millionaire again—this time the right way. After three decades of guiding millions of others through the plan, the evidence is undeniable: if you follow the Baby Steps, you will become a millionaire and get to live and give like no one else. In Baby Steps Millionaires, you will . . . \*Take a deeper look at Baby Step 4 to learn how Dave invests and builds wealth \*Learn how to bust through the barriers preventing them from becoming a millionaire \*Hear true stories from ordinary people who dug themselves out of debt and built wealth \*Discover how anyone can become a millionaire, especially you Baby Steps Millionaires isn't a book that tells the secrets of the rich. It doesn't teach complicated financial concepts reserved only for the elite. As a matter of fact, this information is straightforward, practical, and maybe even a little boring. But the life you'll lead if you follow the Baby Steps is anything but boring! You don't need a large inheritance or the winning lottery number to become a millionaire. Anyone can do it—even today. For those who are ready, it's game on!

It's not about doing more. IT'S ABOUT DOING WHAT MATTERS. As a busy mom with three young kids and a career, #1 national bestselling author Christy Wright knows what it's like to try to do it all and be stretched too thin. After years of running on empty, she realized she had to do something different. It wasn't just a matter of saying no to a few things. She had to figure out why she felt overwhelmed, overcommitted, and out of balance. Here's what she discovered: Life balance isn't something you do. It's something you feel. The great news is you can feel balanced — even in your busy life. In *Take Back Your Time*, Christy redefines what balance is and reveals the clear path to actually achieve it. You'll learn how to: Identify what balance looks like in your unique situation and season. Find confidence in the choices that are right for you. Feel peace even during chaotic times. Learn how to be present for your life and actually enjoy it! You weren't created to live busy and burnt out, unhappy and unfulfilled. You shouldn't be haunted by some elusive idea of balancing it all. There's more for you right now. Today. And it starts with taking back your time the guilt-free way.

What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is "enough"? There's a lot of bad information in our culture today about wealth and the wealthy. Worse, there's a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God's put in their care. They were able to build wealth using God's ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

With the help of a #1 New York Times bestselling author and finance expert, set your finances right with these updated tactics and practices Dave Ramsey knows what it's like to have it all. By age twenty-six, he had established a four-million-dollar real estate portfolio, only to lose it by age thirty. He has since rebuilt his financial life and, through his workshops and his New York Times business bestsellers *Financial Peace* and *More than Enough*, he has helped hundreds of thousands of people to understand the forces behind their financial distress and how to set things right—financially, emotionally, and spiritually. In this new edition of *Financial Peace*, Ramsey has updated his tactics and philosophy to show even more readers: • how to get out of debt and stay out • the KISS rule of investing—"Keep It Simple, Stupid" • how to use the principle of contentment to guide financial decision making • how the flow of money can revolutionize relationships With practical and easy to follow methods and personal anecdotes, *Financial Peace* is the road map to personal control, financial security, a new, vital family dynamic, and lifetime peace.

Dave Ramsey explains those scriptural guidelines for handling money.

In *Smart Money Smart Kids*, Financial expert and best-selling author Dave Ramsey and his daughter Rachel Cruze equip parents to teach their children how to win with money. Starting with the basics like working, spending, saving, and giving, and moving into more challenging issues like avoiding debt for life, paying cash for college, and battling discontentment, Dave and Rachel present a no-nonsense, common-sense approach for changing your family tree.

Ever since the beginning of the world, man has contained within him an insatiable desire to be the captain of his own ship and master of his own fate. It's a natural flaw in man in our fallen state. It really becomes problematic when pride prevents one from looking outside their selves for help or for the correct answers in life. It's not that God has abandoned us with no direction or answers, it is simply the failure to launch in oneself a humbling posture to allow us to receive that which God has given to us freely—"his wisdom. "If any of you lacks wisdom, let him ask God, who gives generously to all without reproach, and it will be given him" (Jas 1:5, ESV). After years of history on display, man makes the same mistake every day. He understands what faith is and knows how to apply it but fails to seek out wisdom to point him in the right direction to place his faith. Where you place your faith determines the directions your path of life will be. Will you travel the long, hard, pothole-ridden dusty road, or the well—"paved, smooth, and straight road that sojourners decided to take before you to success. Why not follow them and make it easier on yourself? The book is my commentary of examples from my life where it seemed I always did it the hard way. Taking the wrong road because I trusted my feelings instead of the trusted GPS (men never stop to ask for directions). I wrote this book from my failures and my search for truth to help others reach for wisdom in decision-making processes. Of course, everyone still has that great gift from God of freedom of choice to make decisions in what they think is right. In the end, it may lead to the lemonade stand. (Proverbs 14:12)

With the help of a #1 New York Times bestselling author and finance expert, set your finances right with these updated tactics and practices Dave Ramsey knows what it's like to have it all. By age twenty-six, he had established a four-million-dollar real estate portfolio, only to lose it by age thirty. He has since rebuilt his financial life and, through his workshops and his New York Times business bestsellers *Financial Peace* and *More than Enough*, he has helped hundreds of thousands of people to understand the forces behind their financial distress and how to set things right—financially, emotionally, and spiritually. In this new edition of *Financial Peace*, Ramsey has updated his tactics and philosophy to show even more readers: • how to get out of debt and stay out • the KISS rule of investing—"Keep It Simple, Stupid" • how to use the principle of contentment to guide financial decision making • how the flow of money can revolutionize relationships With practical and easy to follow methods and personal anecdotes, *Financial Peace* is the road map to personal control, financial security, a new, vital family dynamic, and lifetime peace.

If you're looking for practical information to answer all your "How?" "What?" and "Why?" questions about money, this book is for you. Dave Ramsey's *Complete Guide to Money* covers the A to Z of Dave's money teaching, including how to budget, save, dump debt, and invest. You'll also learn all about insurance, mortgage options, marketing, bargain hunting and the most important element of all—giving. This is the handbook of *Financial Peace University*. If you've already been through Dave's nine-week class, you won't find much new information in this book. This book collects a lot of what he's been teaching in FPU classes for 20 years, so if you've been through class, you've already heard it! It also covers the Baby Steps Dave wrote about in *The Total Money Makeover*, and trust us—the Baby Steps haven't changed a bit. So if you've already memorized everything Dave's ever said about money, you probably don't need this book. But if you're new to this stuff or just want the all-in-one resource for your bookshelf, this is it!
