Special Agent Luce Hansen's Thanksgiving vacation with her new lover, forensic pathologist Harper Bennett, is cut short when she's tasked with recapturing Deadeye, a vicious serial predator who has escaped custody. The timing couldn't be worse, especially when Bennett seems to be struggling with the realities of Hansen's work and questioning whether she's willing to risk building a life with a woman who puts work first, even when the job puts her in the line of fire. Hansen can't put aside the chase even with her relationship on shaky ground. On the anniversary of Deadeye's first kill, two brothers are shot while jogging along a quiet country road. Before Deadeye can claim another victim, Hansen and her team must track a killer who has proven to be an expert at hiding in plain sight. The stakes, both professional and personal, get even higher when Hansen is cut off from her team in rural Ohio and must fight for her very survival. As Bennett frantically searches for clues to Hansen's disappearance, Deadeye's hunt draws ever closer to home.

His eyes narrowed, and he gave Leona an unfriendly look, which made her take a quick step back. Nobody can give unfriendly looks like a tiger. "Do I need to kill somebody for you?" Too poor to pay his pregnant wife's hospital
bill, Vannak Anan Prum left his village in
Cambodia to seek work in Thailand. Men who
appeared to be employers on a fishing vessel
promised to return him home after a few
months at sea, but instead Vannak was
hostaged on the vessel for four years of hard

labor. Amid violence and cruelty, including frequent beheadings, Vannak survived in large part by honing his ability to tattoo his shipmates--a skill he possessed despite never having been trained in art or having had access to art supplies while growing up. As a means of escape, Vannak and a friend jumped into the water and, hugging empty fish-sauce containers because they could not swim, reached Malaysia in the dark of night. At the harbor, they were taken into a police station . . . then sold by their rescuers to work on a plantation. Vannak was kept as a laborer for over a year before an NGO could secure his return to Cambodia. After five years away, Vannak was finally reunited with his family. Vannak documented his ordeal in raw, colorful, detailed illustrations, first created because he believed that without them no one would believe his story. Indeed, very little is known about what happens to the men and boys who end up working on fishing boats in Asia, and these images are some of the first records. In regional Cambodia, many families still wait for men who have disappeared across the Thai border, and out to sea. The Dead Eye and the Deep Blue Sea is a testament to the lives of these many fishermen who are trapped on boats in the Indian Ocean.
