With Dear Daughters, Susie Davis creates a bridge between two groups of women—dear daughters and spiritual mamas. Dear daughters are young women in search of spiritual guidance and spiritual mamas are women just a little further down the road with age-old wisdom to share. Each group has valuable insight for the other and the hope is that the reader will invite someone to come alongside them, pore over the included letters together, and pass along wisdom and advice that will make both lives more

beautiful, wherever they are in their God story. This book, ideal for a gift, is a casebound hardcover with ribbon.

Share your life wisdom with your daughter The idea behind this journal is to share the advice you would have given your younger self, with your daughter, so that she may benefit from your wisdom and knowledge about life, love and so much more. The main question to ask yourself is: What do I wish I knew then, that I know now? This journal is divided up into 12 different categories to write about including: Relationships Education Friends Parenting Self Career Life goals Money Health Spirituality Community Leisure There is much that she can learn from you, in each of the aforementioned areas-- mistakes that you can potentially prevent her from making. She'll thank you for it later! Please note that the interior of the journal prints in black and white.

Every daughter needs a Mother's heart and a Mother's wisdom My precious daughter, you are my life, my light and my purpose. My being truly came to life the day you were born and I cherish being your mother. I will do everything possible to protect you and guide you through your journey. You will never be too old for my advice and while I wish I could shield you from sad and tough times, those difficult moments will ultimately provide you with depth, understanding and compassion. Hopefully these life lessons will ease the discomforts and help you to rejoice with deep gratitude life's shiniest moments."

The third book in the Mother-Daughter Book Club series by Heather Vogel Frederick follows the girls for a new year of humor and friendship.

PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of Grown and Flown, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. Grown and Flown is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. Grown and Flown is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

NEW YORK TIMES BESTSELLER • Maya Angelou shares her path to living well and with meaning in this absorbing book of personal essays. Dedicated to the daughter she never had but sees all around her, *Letter to My Daughter* transcends genres and categories: guidebook, memoir, poetry, and pure delight. Here in short spellbinding essays are glimpses of the tumultuous life that led Angelou to an exalted place in American letters and taught her lessons in compassion and fortitude: how she was

brought up by her indomitable grandmother in segregated Arkansas, taken in at thirteen by her more worldly and less religious mother, and grew to be an awkward, six-foot-tall teenager whose first experience of loveless sex paradoxically left her with her greatest gift, a son. Whether she is recalling such lost friends as Coretta Scott King and Ossie Davis, extolling honesty, decrying vulgarity, explaining why becoming a Christian is a “lifelong endeavor,” or simply singing the praises of a meal of red rice—Maya Angelou writes from the heart to millions of women she considers her extended family. Like the rest of her remarkable work, *Letter to My Daughter* entertains and teaches; it is a book to cherish, savor, re-read, and share. “I gave birth to one child, a son, but I have thousands of daughters. You are Black and White, Jewish and Muslim, Asian, Spanish speaking, Native Americans and Aleut. You are fat and thin and pretty and plain, gay and straight, educated and unlettered, and I am speaking to you all. Here is my offering to you.”—from *Letter to My Daughter*

A sensational debut thriller featuring an unforgettable heroine who just might have murdered her mother, from the author of *Pretty as a Picture* - Winner of the Strand Critics Award for Best First Novel - Nominated for the Barry and Macavity Awards for Best First Novel - Longlisted for the CWA John Creasy (New Blood) Dagger Award "Quick-witted and fast-paced, this debut mystery should be a hit with *Gone Girl* fans." --*People* magazine "This is an all-nighter . . . The best debut mystery I've read in a long time."--Tana French "A really gutsy, clever, energetic read, often unexpected, always entertaining. I loved Janie Jenkins's sassy voice and Elizabeth Little's too. In the world of crime novels, *Dear Daughter* is a breath of fresh air." --Kate Atkinson, New York Times bestselling author of *Life After Life* Former "It Girl" Janie Jenkins is sly, stunning, and fresh out of prison. Ten years ago, at the height of her fame, she was incarcerated for the murder of her mother, a high-society beauty known for her

good works and rich husbands. Now, released on a technicality, Janie makes herself over and goes undercover, determined to chase down the one lead she has on her mother's killer. The only problem? Janie doesn't know if she's the killer she's looking for. Janie makes her way to an isolated South Dakota town whose mysteries rival her own. Enlisting the help of some new friends (and the town's wary police chief), Janie follows a series of clues--an old photograph, an abandoned house, a forgotten diary--and begins to piece together her mother's seemingly improbable connection to the town. When new evidence from Janie's own past surfaces, she's forced to consider the possibility that she and her mother were more alike than either of them would ever have imagined. As she digs tantalizingly deeper, and as suspicious locals begin to see through her increasingly fragile facade, Janie discovers that even the sleepest towns hide sinister secrets--and will stop at nothing to guard them. On the run from the press, the police, and maybe even a murderer, Janie must choose between the anonymity she craves and the truth she so desperately needs. A gripping, electrifying debut novel with an ingenious and like-it-or-not sexy protagonist, Dear Daughter follows every twist and turn as Janie unravels the mystery of what happened the night her mother died--whatever the cost.

Daughters are precious beings we wish we could keep with us for a lifetime. We never run out of things we want to tell them, share with them, and teach them. It is because we always want the best for them. Mothers' Know - Letters to My Global Daughters is a tribute to every young woman in the world. Written in the form of letters, it ventures into discussions about topics mothers sometimes struggle to talk to their daughters about. As far along as we have developed, some things are still a cultural taboo, or we are too ashamed to talk to our daughter about them. Mothers' Know - Letters to My Global Daughters ventures into those spaces with the intention to educate, highlight and nurture young women.
