Enterprise Miner  
characters: in Tobias, the fear he's lost his talent, and that his string of model-mistresses will be the downfall of his soul; in Philip's guilt-ridden conscience as he struggles with the collapse of his most touted building and the prospect of losing custody of his daughter if he doesn't meet his estranged wife's

# Read Online Decision Trees For Ytics Using Sas

demands; in Priscilla, the fear of actually making a decision about her life instead of always taking the path of least resistance. Fate intervenes and forces all three to act on their true desires.

Visual Data Mining—Opening the Black

*Page 52/63*

# Read Online Decision Trees For Ytics Using Sas

Box Knowledge discovery holds the promise of insight into large, otherwise opaque datasets. The nature of what makes a rule interesting to a user has been discussed widely but most agree that it is a subjective quality based on the practical usefulness of the information. Being subjective, the user needs to

# Read Online Decision Trees For Ytics Using Sas

Enterprise Miner  
provide feedback to the system and, as is the case for all systems, the sooner the feedback is given the quicker it can influence the behavior of the system. There have been some impressive research activities over the past few years but the question to be asked is why is visual data mining only

# Read Online Decision Trees For Ytics Using Sas

Enterprise Miner  
now being investigated commercially?  
Certainly, there have been arguments  
for visual data mining for a number  
of years – Ankerst and others argued  
in 2002 that current (autonomous and  
opaque) analysis techniques are  
inefficient, as they fail to directly embed  
the user in dataset exploration and

## Read Online Decision Trees For Ytics Using Sas

Enterprise Miner that a better solution involves the user and algorithm being more tightly coupled. Grinstein stated that the “current state of the art data mining tools are automated, but the perfect data mining tool is interactive and highly participatory,” while Han has suggested that the “data selection and

# Read Online Decision Trees For Ytics Using Sas

viewing of mining results should be fully interactive, the mining process should be more interactive than the current state of the art and embedded applications should be fairly automated . ” A good survey on 3 techniques until 2003 was published by de Oliveira and Levkowitz .
