The best-selling career guide, now in a revised second edition! Match Your Personality Type to Your Perfect Career-and Find Success! The simple truth is that to be happy and successful in your work, you need a career that not only matches your interests but fits your personality type as well. In this approachable book, author Donna Dunning uses the Myers-Briggs Type Indicator® (MBTI®) to introduce eight distinct ways of working. Encouraging you to reflect on your own natural preferences - using checklists, exercises, strategies and tips - What's Your Type of Career? provides all the tools you

need to discover your own natural preferences and find your ideal career. Are you a Contributor, Expeditor, Explorer or Responder? An Analyzer, Assimilator, Enhancer or Visionary? An Extravert or an Introvert? If you identify yourself as an Extravert and a Responder, you tend to like action, scenarios that are rapidly changing and are not inclined toward a desk job. A profession as an emergency worker, a fire fighter or a police officer may be for you. This best-selling career guide - now in a fully updated second edition - has been expanded to include the training and educational requirements of a variety of different occupations, and highlights those most in demand. It also includes details on developing type differences later in life, advice for balancing your work and personal life and many, many more preference-based career suggestions.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.
