La poderosa y asombrosamente original novela de Levithan explora las complejidades del primer amor de una manera única que cautivará. Cada mañana, A despierta en el cuerpo y la vida de una persona diferente. Nunca hay aviso previo de dónde ocurrirá o quién será el elegido. Pero A ya se ha hecho a la idea de ello, incluso tiene una serie de normas que sigue para vivir: nunca involucrarse. Pasar desapercibido. No interferir. Todo está bien hasta la mañana en la que A se despierta en el cuerpo de Justin y conoce a la novia de este, Rihannon. A partir de ese momento, las normas a través de las cuales se ha guiado siempre dejan de tener sentido. Porque, finalmente, A ha encontrado a alguien con quien de verdad quiere estar... un día, y otro, y el día de después.

Harry y Craig tienen 17 años y están a punto de embarcarse en el beso más largo de la historia. No solo quieren romper el récord mundial, sino que también buscan generar conciencia en la sociedad, mostrarle que no hay nada de malo en que dos chicos se besen. Mientras los rodean las cámaras y una multitud, que los apoya tanto como los repudia, Harry y Craig logran llegar a las vidas de otros jóvenes que se encuentran lidiando con su sexualidad. Cada uno de ellos la transita de una manera distinta; algunos con aceptación y otros con tanto dolor que están al borde del abismo. Narrada por un coro de voces que representa a la generación que perdió la batalla contra el sida, *Dos chicos besándose* es una novela esperanzadora sobre la igualdad y la libertad. David Levithan nos muestra que la esencia del ser humano siempre es la misma, sin importar si nos gusta un chico o una chica. Premios y menciones. Libro ganador del Lambda Literary Award 2014 y del 2014 Stonewall Honor Book. Mencionado en la lista del National Book Award 2013. Nominado al premio de la American Library Association por el mejor libro para jóvenes lectores.

THE NEW YORK TIMES BESTSELLER ■ NAMED ONE OF THE BEST BOOKS OF THE YEAR by Booklist ■ Kirkus Celebrate all the ways love makes us who we are with the romance that Entertainment Weekly calls "wise, wildly unique"--from the bestselling co-author of *Nick and Norah's Infinite Playlist* and *Will Grayson, Will Grayson*--about a teen who wakes up every morning in a different body, living a different life. Now a major motion picture! Every day a different body. Every day a different life. Every day in love with the same girl. There's never any warning about where it will be or who it will be. A has made peace with that, even established guidelines by which to live: Never get too attached. Avoid being noticed. Do not

interfere. It's all fine until the morning that A wakes up in the body of Justin and meets Justin's girlfriend, Rhiannon. From that moment, the rules by which A has been living no longer apply. Because finally A has found someone he wants to be with—day in, day out, day after day. With his new novel, David Levithan, bestselling co-author of *Will Grayson, Will Grayson*, and Nick and Norah's *Infinite Playlist*, has pushed himself to new creative heights. He has written a captivating story that will fascinate readers as they begin to comprehend the complexities of life and love in A's world, as A and Rhiannon seek to discover if you can truly love someone who is destined to change every day. "A story that is always alluring, oftentimes humorous and much like love itself—splendorous." —Los Angeles Times

Now a Netflix original series starring Austin Abrams and Midori Francis! A whirlwind holiday season romance from the New York Times bestselling authors of Nick & Norah's *Infinite Playlist*. "I've left some clues for you. If you want them, turn the page. If you don't, put the book back on the shelf, please." 16-year-old Lily has left a red notebook full of challenges on her favorite bookstore shelf, waiting for just the right guy to come along and accept its dares. Dash, in a bad mood during the holidays, happens to be the first guy to pick up the notebook and rise to its challenges. What follows is a whirlwind romance as Dash and Lily trade dares, dreams, and desires in the notebook they pass back and forth at locations all across New York City. But can their in-person selves possibly connect as well as their notebook versions, or will their scavenger hunt end in a comic mismatch of disastrous proportions? Co-written by Rachel Cohn (*GINGERBREAD*) and David Levithan, co-author of *WILL GRAYSON, WILL GRAYSON* with John Green (*THE FAULT IN OUR STARS*), *DASH & LILY'S BOOK OF DARES* is a love

story that will have readers scouring bookstore shelves, looking and longing for a love (and a red notebook) of their own.

NEW YORK TIMES BESTSELLER □ Celebrate all the ways love makes us who we are with this enthralling and poignant follow-up to the New York Times bestseller *Every Day*--now a major motion picture. David Levithan turns his New York Times bestseller *Every Day* on its head by flipping perspectives in this exploration of love and how it can change you. Every day is the same for Rhiannon. She has accepted her life, convinced herself that she deserves her distant, temperamental boyfriend, Justin, even established guidelines by which to live: Don't be too needy. Avoid upsetting him. Never get your hopes up. Until the morning everything changes. Justin seems to see her, to want to be with her for the first time, and they share a perfect day—a perfect day Justin doesn't remember the next morning. Confused, depressed, and desperate for another day as great as that one, Rhiannon starts questioning everything. Then, one day, a stranger tells her that the Justin she spent that day with, the one who made her feel like a real person . . . wasn't Justin at all.

Celebrate all the ways love makes us who we are with the sequel to the New York Times bestseller *Every Day*, now a major motion picture. Every day a new body. Every day a new life. Every day a new choice. For as long as A can remember, life has meant waking up in a different person's body every day, forced to live as that person until the day ended. A always thought there wasn't anyone else who had a life like this. But A was wrong. There are others. A has already been wrestling with powerful feelings of love and loneliness. Now comes an

understanding of the extremes that love and loneliness can lead to -- and what it's like to discover that you are not alone in the world. In *Someday*, David Levithan takes readers further into the lives of A, Rhiannon, Nathan, and the person they may think they know as Reverend Poole, exploring more deeply the questions at the core of *Every Day* and *Another Day*: What is a soul? And what makes us human?

Now a motion picture starring Victoria Justice! From the New York Times bestselling authors of *NICK & NORAH'S INFINITE PLAYLIST*, *NAOMI AND ELY'S NO KISS LIST* is the quintessential Girl-Likes-Boy-Who-Likes-Boys story. Naomi and Ely are best friends. Inseparable since childhood. Naomi is straight. Ely is gay. Naomi dates guys who she claims to like. They're okay, but she likes Ely more. To protect their feelings, Naomi and Ely created a No Kiss List—a list of people neither of them is allowed to kiss under any circumstances. Naomi's latest boyfriend Bruce isn't on that list. But he probably should have been. Because when Ely kisses Bruce, it breaks Naomi's heart. The result? A rift of universal proportions. Can these best friends come together again, or will this be end of Naomi and Ely: the Institution? Told in alternating voices using an array of emoticons and symbols by co-authors Rachel Cohn and David Levithan, co-author of *WILL GRAYSON*, *WILL GRAYSON* with John Green (*THE FAULT IN OUR STARS*), *NAOMI AND ELY'S NO KISS LIST* is the ultimate offbeat story about leaving room for every kind of love.

As their worlds collide and intertwine, the Will Graysons find their lives going in new and unexpected directions, building toward romantic turns-of-heart and the epic production of history’s most fabulous high school musical. Hilarious, poignant, and deeply insightful, John Green and David Levithan’s collaborative novel is brimming with a double helping of the heart and humor that have won them both legions of faithful fans. Will Grayson, Will Grayson is a complete romp. [It is] so funny, rude and original that by the time flowers hit the stage, even the musical-averse will cheer. The New York Times Book Review Will have readers simultaneously laughing, crying and singing at the top of their lungs. Kirkus Reviews, starred review It is such a good book. [Green and Levithan] are two of the best writers writing today. NPR’s The Roundtable

This is the story of Paul, a sophomore at a high school like no other: The cheerleaders ride Harleys, the homecoming queen used to be a guy named Daryl (she now prefers Infinite Darlene and is also the star quarterback), and the gay-straight alliance was formed to help the straight kids learn how to dance. When Paul meets Noah, he thinks he’s found the one his heart is made for. Until he blows it. The school bookie says the odds are 12-to-1 against him getting Noah back, but Paul’s not giving up without playing his love really loud. His best friend Joni might be drifting away, his other best friend Tony might be dealing with ultra-religious parents, and his ex-boyfriend Kyle might not be going away anytime soon, but sometimes everything needs to fall apart before it can really fit together right. This is a happy-meaningful romantic comedy about finding love, losing love, and doing what it takes to get love back in a
