Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, Fluent In 3 Months. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. *Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World* is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene"

James Michael Wine weaves a personal journey of learning, at turns humorous, political, poetic and insightful, as he claims that Sweden is probably the best country on Earth. Love brought him to the North, but it was the use of "Sweden" as a code word for something notorious or evil during the 2008 US presidential election - which no doubt will be used again in 2012 - that

triggered this book. Digging through his life in the two cultures for reasons behind this code, Wine comes across a Swedish fact so mind-boggling to his American mind that it compels him to explore this moment on the planet and how each country grapples with the momentous challenges never before faced by civilization.

This highly accessible, manageable program is user-friendly for instructors, teaching assistants, and students.
