Using a three-pronged approach of concepts, applications, and skill development, MANAGEMENT FUNDAMENTALS, International Edition gives your students a solid foundation of management concepts and real skills they can use in the workplace. Through a variety of thought-provoking applications, Lussier challenges students to think critically and apply concepts to their own experiences. Proven skill-building exercises, behavioral models, self-assessments, and group exercises throughout the text help students realize their own managerial potential. The 14-chapter format is comprehensive enough for the one-term course yet flexible enough to allow for additional readings, activities, or discussions.

Develop the personal, interpersonal and group skills vital to achieving outstanding success in today's workplace with Developing Management Skills: A Comprehensive Guide for Leaders. Carlopio's hallmark five-step learning approach—self assessment, learning, analysis, practice and application—and its modular structure help you tailor your study to the areas you need to focus on. This practical, hands-on style resource incorporates in-text exercises and role-playing assignments and is further supported by a Companion Website that includes self-assessment exercises and additional online chapters on communication skills. Developing Management Skills 5th Edition is suitable for undergraduate or post-graduate courses with a specific focus on managerial skills such as capstone courses, leadership or communication skills. It is also well suited to corporate professional development training courses or simply as a resource for professionals seeking to become better managers. "Overall, it is an excellent mix of theory and practical reality. I congratulate the authors for their valuable and ongoing contribution to management education and development in the Asia-Pacific region." Peter J. Dowling, PhD; LFAHRI; FANZAM, Professor of International Management and Strategy, La Trobe University, Melbourne

Designed for students of all skill levels and learning styles, this text allows students to apply knowledge to real-world situations, connect concepts to their own lives and experience management theory in a tactile and engaging way. Updated for tomorrows managers, it features contemporary examples, new skill assessments and cases, updated research and tangible, relevant goals for students to work toward. Focusing on ten essential skills for success in management, it focuses on what managers actually do, thereby transforming management concepts into practical, actionable techniques.
