"Devil's Embrace" is the first book i have ever read by Catherine Coulter and would have probably read it anyway if my dear cousin hadn't recommended it! Its a bodice-ripper, one that made me feel conflicted even when i have read far more hard-core bodice-rippers and loving those more (Gypsy Lady and Lady Vixen is one of them). The first half of the story is my favourite part. The scene where the heroine goes out fishing and the hero kidnapping her after that made me (cough

Dear Reader, Life is great for me. I have my chicory coffee, my warm beignets, and my best friend on the cell phone. Once the sun goes down, I am the baddest thing prowling the night: I command the elements, and I know no fear. For centuries, I've protected the innocent and watched over the mankind, making sure they are safe in a world where nothing is ever certain. All I want in return is a hot babe in a red dress, who wants nothing more from me than one night. Instead, I get a runaway Mardi Gras float that tries to turn me into roadkill and a beautiful woman who saves my life but can't remember where she put my pants. Flamboyant and extravagant, Sunshine Runningwolf should be the perfect woman for me. She wants nothing past tonight, no ties, no long-term commitments. But every time I look at her, I start yearning for dreams that I buried centuries ago. With her unconventional ways and ability to baffle me, Sunshine is the one person I find myself needing. But for me to love her would mean her death. I am cursed never to know peace or happiness—not so long as my enemy waits in the night to destroy us both. --Talon of the Morriganes

In this saucy romance, an English lady turns the damsel-in-distress tale on its head as she escapes her malicious fiancé and fights for both her life and that of the lustful rebel that has become her protector. Lady Lenora Trevelyan, a naïve yet stubborn young lady born to the highest noble houses of England and Germany, finds herself betrothed to the brutal Prince Kurt von Rotenburg-Gruselstadt. But after she is cruelly bruised and flogged by her fiancé, she decides to take the reins of her fate. In the midst of a German revolution, Lenora escapes Kurt's iron fist and embarks home to England. She quickly finds herself in the hands of a rebel group and their robust, gentle, and handsome leader, Wolfram von Wolfsbach und Ravensworth, the English Earl of Ravensworth. Lenora struggles to deny the passion she feels towards the frustratingly chivalrous Earl but her desire for him continues to bloom. Wolfram hungers nothing other than to fight for democracy and civil rights in uniting Germany and to protect what he assumes is his damsel in distress. Through nights of immeasurable pleasure, Lenora and Wolfram learn that their passion is no match for the revolutionary chaos that ensues. And when Lenora discovers that her protector's life is threatened, she must risk everything to save her Knight of Love.

The noonday devil is the demon of acedia, the vice also known as sloth. The word "sloth", however, can be misleading, for acedia is not laziness; in fact it can manifest as busyness or activism. Rather, acedia is a gloomy combination of weariness, sadness, and a lack of purposefulness. It robs a person of his capacity for joy and leaves him feeling empty, or void of meaning. Abbot Nault says that acedia is the most oppressive of demons. Although its name harkens back to antiquity and the Middle Ages, and seems to have been largely forgotten, acedia is experienced by countless modern people who describe their condition as depression, melancholy, burn-out, or even mid-life crisis. He begins his study of acedia by tracing the wisdom of the Church on the subject from the Desert Fathers to Saint Thomas Aquinas. He shows how acedia afflicts persons in all states of life—priests, religious, and married or single laymen. He details not only the symptoms and effects of acedia, but also remedies for it.

A new novel by the author of *The Loney*, which was praised by Stephen King as "an amazing piece of fiction." In the wink of an eye, as quick as a flea, The Devil he jumped from me to thee. And only when the Devil had gone, Did I know that he and I'd been one . . . Every autumn, John Pentecost returns to the farm where he grew up, to help gather the sheep down from the moors for the winter. Very little changes in the Endlands, but this year, his grandfather—the Gaffer—has died and John's new wife, Katherine, is accompanying him for the first time. Each year, the Gaffer would redraw the boundary lines of the village, with pen and paper but also through the remembrance of tales and timeless communal rituals, which keep the sheep safe from the Devil. But as the farmers of the Endlands bury the Gaffer and prepare to gather the sheep, they begin to wonder whether they've let the Devil in after all.
