Go behind the scenes at Stamford Bridge and find out about life on and off the field for this humble Chelsea hero.

Didier Drogba is one of the most talented and also most unpredictable players in English football. Brought to Chelsea by Jose Mourinho after success with Marseille in France, he quickly became one of the most lethal strikers in the Premiership and helped Chelsea to the highest success. But then Mourinho – whom Drogba idolised and whose Foreword reveals the admiration is mutual – departed, and the revolving door of managers that followed saw Drogba disaffected, injured, left out of the side and, the nadir, sent off in the 2008 Champions League final. But now under the new coach Guus Hiddink he is fit again and scoring high-pressure goals and a match for any defence.Characteristically, Drogba first published his autobiography in French, and not for him the empty succession of clichés about a great bunch of lads and a game of ninety minutes. This is a story of growing up in West Africa, then an unsettling emigration to France, and a rise to the highest echelon of football there before Chelsea ’s money came beckoning. It is a controversial book – Drogba found Chelsea in his first months a thoroughly unwelcoming and lonely place – and about much more than football: in his native Ivory Coast Drogba is a hero and even something of a political campaigner for whom peace and prosperity there is more important than any football bauble.Didier Drogba plays for Chelsea and the Ivory Coast.

The Sunday Times Bestseller and Number 1 Sport Book of 2016 'A tale that's truly inspirational!' The Sun An ordinary lad from Sheffield, Jamie Vardy has become known as an against-the-odds footballing hero the world over. Yet a few years ago, things couldn ’ t have been any more different. Rejected as a teenager by his boyhood club, Jamie thought his chance was gone. But from playing pub football and earning £30 a week at Stocksbridge Park Steels, while still working in a factory, his off-the-cuff performances saw him rise. Jamie had a wild and turbulent youth, but football became his saving grace and, once he filled his boots with goals at FC Halifax Town and Fleetwood Town, he moved to Leicester City. After the miracle of surviving relegation, the team of unlikely outsiders bonded together to achieve the unthinkable. Jamie set the record as the first player to score in 11 consecutive Premier League matches and Leicester beat odds of 5000-1 to become champions. Jamie has now been nominated for the Ballon d ’ Or, firmly establishing himself as one of England ’ s leading goal scoring footballers. Not forgetting his roots, however, he has set up the V9 Academy in a bid to find the next big talent from non-league football. Defying all expectations, this is the story of the boy from nowhere who reached the top in his own unflinching, honest words.

In his national bestseller, Socceromics, Simon Kuper pioneered a new way of looking at soccer, the world's most popular game, through his witty and meticulous use of data. In Soccer Men, Kuper explores the heart and soul of the sport by getting up close and personal with soccer's greatest players and coaches. An inquiry into the genius and hubris of the modern game, Soccer Men details the lives of international stars such as Arsène Wenger, Jose Mourinho, Josep Guardiola, Lionel Messi, Wayne Rooney, and David Beckham, describing their upbringing, the soccer cultures they grew up in, the way they play or coach, and the baggage they bring to their relationships at work. In this updated edition, Kuper profiles Hope Solo, Raymond Domenech, Andrea Agnelli, Robin van Persie, Carlo Ancelotti, and more. He also provides a brilliant comparison of two tales of immigrant life: Philip Roth's Portnoy's Complaint and the autobiography of Swedish striker Zlatan Ibrahimovic.

A highly unusual and thought-provoking book by France and Everton football star Louis Saha. Personally written by Saha without the assistance of a ghostwriter, rather than a straight autobiography, thinking inside the box is the former Manchester United star's analysis of the life of a modern footballer. With the thought's of Sir Alex Ferguson, Zidane, Drogba, Tim Cahill and many more, Saha 'wanted to write what it is really like. About how to keep it real and stay sane in the middle of this sporting circus'.

You become a footballer because you love football. And then you are a footballer, and you ’ re suddenly in the strangest, most baffling world of all. A world where one team-mate comes to training in a bright red suit with matching top-hat, cane and glasses, without any actual glass in them, and another has so many sports cars they forget they have left a Porsche at the train station. Even when their surname is incorporated in the registration plate. So walk with me into the dressing-room, to find out which players refuse to touch a football before a game, to discover why a load of millionaires never have any shower-gel, and to hear what Cristiano Ronaldo says when he looks at himself in the mirror. We will go into post-match interviews, make fools of ourselves on social media and try to ensure that we never again pay £250 for a haircut that should have cost a tenner. We ’ ll be coached andajoied by Harry Redknapp, upset Rafa Benitez and be soothed by the sound of an accordion played by Sven-Goran Eriksson ’ s assistant Tord Grip. There will be some very bad music and some very bad decisions. I am Peter Crouch. This is How To Be A Footballer. Shall we? Can ’ t get enough of Crouch? Tune into That Peter Crouch Podcast on Radio 5 Live

Carlo Ancelotti is one of the greatest managers of all time, with five Champions League titles to his name. Yet his approach could not be further from the aggressive theatricals favoured by many of his rivals. His understated style has earned him the fierce loyalty of players like David Beckham, Zlatan Ibrahimovic and Cristiano Ronaldo. In Quiet Leadership, Ancelotti reveals the full, riveting story of his managerial career - his methods, mentors, mistakes and triumphs - and takes us inside the dressing room to trace the characters, challenges and decisions that have shaped him. The result is both a scintillating memoir and a rare insight into the business of leadership.

"Every setback, every fight, every goal. This is Costa uncovered" - Graham Hunter
Summer 2014, Diego Costa has arrived for his first day as a Chelsea player and he has something he wants to say to his new team-mates. He's been practising a single, short sentence. Actually, a mision statement: "I go to war - you come with me."
In The Art of War, Fran Guillén retraces every step of Costa's brutal, exhilarating journey: from street footballer in his home city of Lagarto, north-east Brazil, to La Liga winner at Atlético Madrid, through loan spells at Celta Vigo, Albacete, Valladolid and Rayo Vallecano, and finally to Premier League champion with Chelsea in 2015. Through exclusive interviews with coaches, team-mates, agents and friends, Spanish journalist Guillén uncovers the inside story of Costa's arrival in Portugal as a 17 year old and his move to Atlético Madrid where, under Diego Simeone, the player's goalscoring finally started to eclipse his fearsome reputation and saw his emergence as one of the world's greatest strikers. Then in 2014 Costa made the shock decision to defect from the Brazilian side and play for Spain in the World Cup. After a disastrous tournament, Costa joined Jose Mourinho's Chelsea and immediately dispelled the ghosts of Brazil by taking the Premier League by storm in an indomitable debut season at Stamford Bridge. This is an inspiring and insightful portrait of English football's new superstar. Let's go to war.

When Walter Smith snatched Marco Negri from the grasps of the Italian superpowers in 1997, Rangers fans were in for a mighty shock. The cult hero smashed in 33 goals in his first 29 games, but frustrating injuries, unrest and loan deals were to rule the rest of his time at Ibrox. The astonishing story of one of football's most enigmatic characters.

The signing of Naby Keita for almost £53m in August 2017 was the third time in the space of 14 months that Liverpool broke the transfer record for an African player. But while Senegal ’ s Sadio Mané and Mohamed Salah of Egypt helped Jürgen Klopp ’ s side reach the Champions League final in 2018, Guinea midfielder Keita took time to adapt to his new surroundings. Tracking his first season in English football and featuring interviews with Klopp and those closest to Liverpool ’ s three biggest African stars, Ed Aarons tells the story of the thrilling 2018/19 campaign that ended with the club ’ s sixth European crown after just missing out to Manchester City in the thrilling Premier League title race. Yet the historic season which saw Mané and Salah share the Premier League ’ s Golden Boot with Arsenal ’ s Gabon striker Pierre-Emerick Aubameyang would not have been possible had it not been for those who blazed the trail before them. From Arthur Wharton - the first player born in Africa to appear in the Football League - to Steve Mokone, Albert Johannesson, Brian and Mark Stein, Peter Ndlovu, Christopher Wreh, Lucas Radebe, Jay Jay Okocha, Didier Drogba, Yaya Touré and Riyad Mahrez, Made in Africa tells the story of the pioneers who changed the face of English football forever.
