More Than Sixty Course Syllabi That Bring the New Complexity of Graphic Design to Light All graphic designers teach, yet not all graphic designers are teachers. Teaching is a special skill requiring talent, instinct, passion, and organization. But while talent, instinct, and passion are inherent, organization must be acquired and can usually be found in a syllabus. Teaching Graphic Design, Second Edition, contains syllabi that are for all practicing designers and design educators who want to enhance their teaching skills and learn how experienced instructors and professors
