Hotel Management and Operations, Fifth Edition provides a practical, up-to-date, and comprehensive approach to how professionals across the industry manage different departments within their operation. From the front office to finance, from marketing to housekeeping, this resource offers advanced theory played out in practical problems. Multidimensional case studies are a notable feature, with complex management problems portrayed from multiple viewpoints; "As I See It" and "Day in the Life" commentaries from new managers provide further real-world perspective. Covering the latest issues affecting the industry, this text gives students and professionals an up-to-date, dynamic learning resource.

Get the inside scoop on pharmaceutical sales careers with this new Vault Guide. Overview of the industry; functions in pharmaceutical sales: field sales, sales management, training and development, instructional design/content development, project management; jobs and career paths; getting hired - education, interview preparation, and more.

Title shows resumes and cover letters of people seeking employment in the construction industry. Job hunting techniques are explained in step-by-step fashion in order to benefit those seeking construction work. Because the construction industry tends to be cyclical, a helpful section is included which describes how to transfer construction industry experience to other fields and industries. The book's main contents are the resumes and cover letters of construction industry professionals. Included are resumes of project manager, carpenter, foreman, safety manager, electrician, brick mason, engineering manager, real estate agent, plumber, job planner, sander, flooring installer, interior designer, independent contractor, and many others.

"Originally published in hardcover in the United States by Crown Business, New York, in 2017"--Title page verso.

Like it or not, you are now in sales, and you are the product, and we teach you how to sell your product! Here are a few highlights that will separate you from everyone else seeking the job you are seeking: • Get up to 90 percent feedback on every résumé you send out. • Have a résumé that stands out from all other candidates. • Never get screened out by a human resource department again. • Stay a week to ten days ahead of everyone else going after the same position you are going after. • Uncover the so-called "hidden job market." • Be better prepared for the interview than those who are going to interview you. (The majority of managers who will be interviewing you have never had any training in how to interview. You will!) • Discover recruiters know about how to find job openings. • Learn how to network like no one else can teach you. • Find out how to target companies. • Understand how not to answer ads online or in the newspaper. These are a few things that can help get you employed in the fastest professional manner. We are a search and recruiting firm that also owns an outplacement firm, and we have combined the knowledge of both firms to come up with the best proven methods of job searching. We have taught these methods for over twenty years by our outplacement firm, and this book is based on our proven training manual. Countless control forms that will keep you on track during your job search are also included in the book.
