Lift Your Vision High Vision is a preferred future. A destination. Vision always stands in contrast to the world as it is. Visioneering, according to bestselling author Andy Stanley, is "a clear mental picture of what could be, fueled by the conviction that it should be." With warm, down-to-earth practicality, Andy Stanley explores the ordinary life of Nehemiah and his God-given vision for accomplishing the extraordinary. He shows how the life of this great ancient visionary, determined to rebuild the ruined walls of Jerusalem, reveals principles that can prepare us to find and follow God's multifaceted vision for our own lives. Now this bestseller is again available in an attractive, affordable paperback! Everybody ends up somewhere in life. You can end up somewhere on purpose! Visioneering is the engineering of a vision. It's the process one follows to develop and maintain vision. "Vision," writes Andy Stanley, "is a clear mental picture of what could be, fueled by the conviction that it should be." In the bestselling Visioneering, Stanley builds a compelling case for the necessity of a clear, God-ordained vision for each of the roles of your life. Whether you're a parent with a vision for your children or a CEO pursuing a corporate vision, Visioneering is the perfect tool to help you develop and maintain God's unique purpose for your life.

A book for anyone who cares deeply about the future of the church. Once upon a time there was a version of our faith that was practically . . . irresistible. But that was then. Today we preach, teach, write, and communicate as if nothing has changed. As if "The Bible says it," still settles it. It's time to hit pause on much of what we're doing and consider the faith modeled by our first-century brothers and sisters who had no official Bible, no status, and humanly speaking, little chance of survival. What did they know that we don't? What made their faith so compelling, so defensible, so irresistible? Buckle up . . . you're about to find out. More importantly, Andy will invite you to embrace the version of faith that, against all odds, initiated a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen. A version we must embrace if we are to be salt and light in an increasingly savorless and dark world. "More than any other book I've read in years, Irresistible has stretched my view of Scripture. I can't hear or read a passage from the Old or New Testaments without thinking about Andy's provocative insights. If you and I take this book seriously, our lives and our churches will never be the same." Kara Powell, PhD, executive director of the Fuller Youth Institute and coauthor of Growing Young "Irresistible is like a once-in-a-generation shot across the bow. Andy Stanley takes a lifetime of accumulated insight and wisdom about the Christian faith, history, and why the church isn't connecting with our current culture, and combines them together in a masterpiece work." Carey Nieuwhof, author and founding pastor, Connexus Church "Warning: This book will set you and your ministry back!back to the first century and the approach to advancing the gospel modeled by Jesus and the apostles. Andy reminds us that the resurrection was at the center of the first-century apologetic. Then he challenges twenty-first century believers to reclaim it as the center of ours as well. I agree with Andy!this approach changed the world once. I'm convinced it could do so again. Read and apply now!" Frank Turek, Christian author, public speaker, and radio host "This book challenged me to rethink my thoughts about the Old Testament, discuss with fellow believers what I was learning, do more connecting and less correcting of others, and be salt and light, making things better and brighter. I love how Andy loves people . . . ALL of them." John Maxwell, author of The 360 Degree Leader "It's time for the church to rethink how it presents a timeless gospel to this generation. In Irresistible, Andy Stanley challenges us to make sure we handle the Scriptures with the kind of integrity that compels everyone to seriously consider following Jesus. Any Christian who reads this book will suddenly find themselves embracing the mission of Jesus with a new passion." Reggie Joiner, author; founder and CEO of Orange "Andy Stanley takes you on a historic journey to rediscover the first-generation passion of what it means to faithfully follow Christ. This book will knock you off center, push you out of complacency, and reawaken an unshakable faith that cannot be ignored." Craig Groeschel, pastor of Life.Church and author of Hope in the Dark "Believing God Is Good When Life Is Not

Lots of people think Christianity is all about doing what Jesus says. But what if doing what Jesus says isn't what Jesus says to do at all? Jesus' invitation is an invitation to relationship, and it begins with a simple request: follow me. Religion says "Change and you can join us." Jesus says, "Join us and you will change." There's a huge difference. Jesus doesn't expect people to be perfect. He just wants them to follow him. Being a sinner doesn't disqualify anyone. Being an unbeliever doesn't disqualify anyone. In fact, following almost always begins with a sinner and unbeliever taking one small step. In this eight-session video-based Bible study (DVD/digital video sold separately), Andy Stanley takes small groups on a journey through the Gospels as he traces Jesus' teaching on what it means to follow. Sessions include: Jesus Says Next Steps Fearless Follow Wear The Fine Print What I Want to Want Leading Great Unfollow Designed for use with Follow Video Study 9780310823551 (sold separately).

Surely there's more than one way to get to heaven? Bestselling author Andy Stanley addresses this popular belief held even among Christians. Face the Truth Life is full of defining moments. Like landmarks on a road map, these moments mark key points along your life's journey. A defining moment happens when you come face-to-face with a truth that invites you to change the way you live. It demands that you make a decision. And regardless of the choice you make, you will never be the same. In this eight-part companion study guide to the Defining Moments DVD, bestselling author Andy Stanley examines several such moments as depicted in the lives of people from Scripture!the kinds of moments many of us will experience in our lifetimes. And if you're willing to look at truth honestly, these moments can change your life forever. Story Behind the Book While working to develop a series that would introduce people to a new mind-set about the way they live their lives, Andy Stanley discovered the influence that defining moments have. Now, after teaching this principle to his staff, church, and through the extended home study groups of North Point Community Church , this DVD and study guide material are releasing to a national audience through North Point's relationship with Multnomah.

Bestselling author Andy Stanley challenges you to become what you were meant to be: a person whose commitment to doing the right thing, whatever the cost, will inspire others and change your world. Story Behind the Book As a pastor, I spend a substantial amount of my time with people who are digging themselves out from personal environmental catastrophes!circumstances that were often years in the making but !took them by surprise! Another group of people have faced, or are facing, storms of life that are not of their own making, storms created by the character deficits of others!storms that are a natural part of a fallen world. There, in the midst of unjust treatment and seemingly undeserved pain, the true character of a man or woman is revealed. What you see in such moments is what was really there all along. Whether you know it or not, that process is happening in you. Your character, not your accomplishments or acquisitions, determines your legacy.
