~~Divided-Soul-The-Life-Of-Marvin-Gaye-The-Life-of-Marvin---~~

I don't think this book can be given a rating. It's the story of a deeply troubled man. Divided Soul is a perfect title for the life of Marvin Gaye. I never knew his story and it is gut-wrenching. Abused as a child, Gaye never recovered. His father was a terrible man, abusive, alcoholic, and self-righteous.

David Ritz presents his uniquely candid and and intimate account of the tumultuous life of the Prince of Soul music, Marvin Gaye. Author Ritz has assembled years of conversations and interviews from his life as a close friend and lyricist to the gifted Soul sensation, and tells the Marvin Gaye story with fly-on-the-wall accuracy and detail. From his early years as an abused child in the slums of Washington DC, through his rise to the very peaks of the Motown phenomenon, his fall from grace and subsequent comeback, to his untimely death at the hands of his father, Marvin's story is the stuff of legends. The cast of characters includes the Jacksons, Smokey Robinson, Diana Ross and countless other icons of the world of soul music. The definitive biography of an enormously gifted and sensitive musician.

Drawing from interviews conducted before Marvin Gaye's death, acclaimed music writer David Ritz has created a full-scale portrait of the brilliant but tormented artist. With a cast of characters that includes Diana Ross, Berry Gordy, Smokey Robinson, and Stevie Wonder, this intimate biography is a definitive and enduring look at the man who embodied the very essence of the word soul.

There is no more powerful, detested, misunderstood African American in our public life than Clarence Thomas. Supreme Discomfort: The Divided Soul of Clarence Thomas is a haunting portrait of an isolated and complex man, savagely reviled by much of the black community, not entirely comfortable in white society, internally wounded by his passage from a broken family and rural poverty in Georgia, to elite educational institutions, to the pinnacle of judicial power. His staunchly conservative positions on crime, abortion, and, especially, affirmative action have exposed him to charges of heartlessness and hypocrisy, in that he is himself the product of a broken home who manifestly benefited from racially conscious admissions policies. Supreme Discomfort is a superbly researched and reported work that features testimony from friends and foes alike who have never spoken in public about Thomas before—including a candid conversation with his fellow justice and ideological ally, Antonin Scalia. It offers a long-overdue window into a man who straddles two different worlds and is uneasy in both—and whose divided personality and conservative political philosophy will deeply influence American life for years to come.

There is a distinctive way each word earns its space in Thomas White's first book of poetry and quotes, "Healing of a Divided Soul." They fit accordingly after the mastermind of their structure. Giving you imagery in each piece, and taking you on a journey deep inside the soul of a man determined to overcome life difficulties through faith and commitment. "Healing of a Divided Soul" uniquely shares his story through poetry of living and escaping life on the bottom tier of the violent inner-city streets of Detroit. We all understand how the word dysfunction has become synonymous to a world that knows normal is not a given. Though the past may be a part of who we are, we can't let it dictate the kind of person we want to become. Remember the heaviest chain we will ever wear is the chain that stops us from changing! For once your mind is free the rest will follow! Healing of a Divided Soul is sure to cleanse, restore, and bring the reader unprecedented wisdom from a Soul no more divided.

Divided Soul represents photographer David Alan Harvey's thirty-year journey through the Spanish and Portuguese diaspora in the Americas. In this selection of over a hundred colour photographs, Harvey explores the exuberance and incongruities of a life and culture that hold for him an endless fascination. The photographs are presented within thematic chapters, each of which is introduced by Harvey's own commentary. The passionate and divided soul of the Hispanic world, where tradition and ritual are inherent to everyday life, is revealed in Harvey's evocative, and often contradictory, images: a pulsating carnival in Cuba's Trinidad, a fervent African tribal ceremony in Brazil, an erotic disco in Lisbon, a Whitsuntide procession in Andalusia and a first Communion in Mexico. Adopting an approach that combines intuition, patience and persistent curiosity

- together with a rejection of cumbersome equipment - Harvey succeeds in minimizing the distance between himself and his subjects, producing images that capture the natural choreography of people within places and that resonate with magic.

Named the #1 Rock Biography of All Time in The New Book of Rock Lists: "You won't find a more fascinating rock bio."-Village Voice

A challenging but much-needed book for Christians across a broad spectrum—from laypersons and students to pastors and Christian philosophers--Singleness of Heart systematically yet gently searches the secret places of the Christian heart, taking readers beyond the cursory acquaintance they often have with their own true selves and leading them to the healing power of God's grace and the single-minded pursuit of eternity.

Curtis Mayfield was one of the seminal vocalists and most talented guitarists of his era, and his music played a vital role in the civil rights movement: "People Get Ready" was the black anthem of the time. In *Traveling Soul*, Todd Mayfield tells his famously private father's story in riveting detail. Born into dire poverty, raised in the slums of Chicago, Curtis became a musical prodigy, not only singing like a dream but growing into a brilliant songwriter. In the 1960s he opened his own label and production company and worked with many other top artists, including the Staple Singers. Curtis's life was famously cut short by an accident that left him paralyzed, but in his declining health he received the long-awaited recognition of the music industry. Passionate, illuminating, vivid, and absorbing, *Traveling Soul* will doubtlessly take its place among the classics of music biography.

The definitive biography of the Queen of Soul from acclaimed music writer David Ritz, hailed by Rolling Stone as "a remarkably complex portrait of Aretha Franklin's music and her tumultuous life." Aretha Franklin began life as the golden daughter of a progressive and promiscuous Baptist preacher. Raised without her mother, she was a gospel prodigy who gave birth to two sons in her teens and left them and her native Detroit for New York, where she struggled to find her true voice. It was not until 1967, when a white Jewish producer insisted she return to her gospel-soul roots, that fame and fortune finally came via "Respect" and a rapidfire string of hits. She has evolved ever since, amidst personal tragedy, surprise Grammy performances, and career reinventions. Again and again, Aretha stubbornly finds a way to triumph over troubles, even as they continue to build. Her hold on the crown is tenacious, and in *Respect*, David Ritz gives us the definitive life of one of the greatest talents in all American culture. "Comprehensive and illuminating." --USA Today
