left with one
fundamental

that DMT, a
simple chemical
naturally found

instantaneously
opens us to an

his decades of

Strassman began
searching for a

He found that
the visions of

strikingly
similar to those

"theoneurology."
Theoneurology

While most known

DMT has appeared at crucial junctures in countercultural history. William Burroughs was jacking the spice in Tangier at the turn of the 1960s. It was present at the meeting between Ken Kesey's Merry

would eventually

champion in the
