Love is the law, love under will, i.e. the nature of the Law of Thelema is love, but love itself is subsidiary to finding and manifesting one's authentic purpose or "mission".

Thelema —Wikipedia
Do What Thou Wilt: An exploration into the life and works of a modern mystic, occultist, poet, mountaineer, and bisexual adventurer known to his contemporaries as "The Great Beast". Aleister Crowley was a groundbreaking poet and an iconoclastic visionary whose literary and cultural legacy extends far beyond the limits of his notoriety as a practitioner of the occult arts.

Do What Thou Wilt. is the fourth studio album by American rapper Ab-Soul. It was released on December 9, 2016, by Top Dawg Entertainment. The record serves as the follow-up to his previous studio effort, These Days... (2014). The album was supported by two singles: "Huey Knew" and "Braille".

Do What Thou Wilt—Wikipedia

"Do what thou wilt" is known as the Law of Thelema. It is derived from the rule of the fictional Abbey of Th é l é me in the classic satire Gargantua by the French priest and occult student Fran ç ois Rabelais. Crowley recommends study of Rabelais when discussing the Law. In Rabelais this rule was "fay ç e que voudras", French for "do what you will."

The phrase " Do what thou wilt " is part of the law of Thelema. It comes from the Book of the Law, Chapter I, line 40, dictated to Aleister Crowley by the entity Aiwass. I can do whatever I want? To...

Do What Thou Wilt | **Brandy Williams - Star and Snake**
The Wiccan Rede / ri / d/ is a statement that provides the key moral system in the neopagan religion of Wicca and certain other related witchcraft-based faiths. A common form of the Rede is An ye harm none, do what ye will which was taken from a longer poem also titled the Wiccan Rede. The word "rede" derives from Middle English, meaning "advice" or "counsel", and being closely related to the German Rat or Scandinavian r á d. "An" is an archaic Middle English conjunction, meaning "if." "Ye ...

Wiccan Rede—Wikipedia
OP: " An ye harm none, do what thou wilt " just means " As long as you harm no one, do whatever you want. " The wording is archaic (" an " is an old word for " if " in this context), but the message seems clear enough.

What does "Do what thou wilt" mean - **Fluther**

' Do what thou wilt shall be the whole of the law ' ought to be understood for it ' s real intended meaning: " You can do whatever you want and ignore God ' s Moral Order ". It ' s ridiculous to think there is anything sublime in this self centered dictate which misses the whole point of laws. Duh.

Do what thou wilt shall be the whole of the law | **Secrets** ...

It stated that a supreme moral law was to be introduced in this Aeon, "Do what thou wilt shall be the whole of the Law," and that people should learn to live in tune with their Will. This book, and the philosophy that it espoused, became the cornerstone of Crowley's religion, Thelema.

Ab-Soul - Do What Thou Wilt: Lyrics and Tracklist | **Genius**

There is obvious themes such as love for women, women appreciation and the only law being love (hence the title do what thou wilt). For me this album is a really good change of pace from other artists. For me Ab-soul seems like he decided to rap as soon as he got out of biology and philosophy class and decided to use his learning content in his ...

Do What Thou Wilt: An exploration into the life and works of a modern mystic, occultist, poet, mountaineer, and bisexual adventurer known to his contemporaries as "The Great Beast" Aleister Crowley was a groundbreaking poet and an iconoclastic visionary whose literary and cultural legacy extends far beyond the limits of his notoriety as a practitioner of the occult arts. Born in 1875 to devout Christian parents, young Aleister's devotion scarcely outlived his father, who died when the boy was twelve. He reached maturity in the boarding schools and brothels of Victorian England, trained to become a world-class mountain climber, and seldom persisted with any endeavor in which he could be bested. Like many self-styled illuminati of his class and generation, the hedonistic Crowley gravitated toward the occult. An aspiring poet and a pampered wastrel - obsessed with reconciling his quest for spiritual perfection and his inclination do exactly as he liked in the earthly realm - Crowley developed his own school of mysticism. Magick, as he called it, summoned its users to embrace the imagination and to glorify the will. Crowley often explored his spiritual yearnings through drug-saturated vision quests and rampant sexual adventurism, but at other times he embraced Eastern philosophies and sought enlightenment on ascotic sojourns into the wilderness. This controversial individual, a frightening mixture of egomania and self-loathing, has inspired passionate - but seldom fair - assessments from historians. Lawrence Sutin, by treating Crowley as a cultural phenomenon, and not simply a sorcerer or a charlatan, convinces skeptic readers that the self-styled "Beast" remains a fascinating study in how one man devoted his life to the subversion of the dominant moral and religious values of his time.

Aleister Crowley's The Book of Lies is an important and complex work of occultism. Deciphering its many layers of hidden meaning requires a little patience and more than a beginner's knowledge of Thelema. For those interested in passing beyond the initiate stage, the reward offered by a deeper understanding of this challenging text is well worth the effort. This new 2018 edition of The Book of Lies from Kismet Publishing restores all of Crowley's original text, including the important keys, sigils and diagrams often omitted from reprints.

"Magick is a subtle and curious thing and often works in ways you do not expect and at times you do not expect- but it always works. Every magical act brings a result, as you are about to learn." -Rodney Orpheus, from the Introduction "Abrahadabra is about the practice of the magick of Thelema- a system of physical, mental, and spiritual training and discipline based on two fundamental principles: "Do what thou wilt shall be the whole of the Law" and "Love is the law, love under will." -Lon Milo DuQuette

Written in New York City at the end of the First World War, this has been described by Crowley as an extended and elaborate commentary on The Book of the law, in the form of a letter from the Master Therion to his magical son.

From one of America's greatest literary critics comes Edmund Wilson's insightful and candid record of the 1930's, The Thirties: From Notebooks and Diaries of the Period. Here, continuing from Wilson's previous journal, The Twenties, the narrator moves from the youthful concerns of the Jazz Age to his more substantial middle years, exploring the decade's plunge from affluence and exploring the tenets of Communism. His personal life is also amply represented, from his marriage to Margaret Canby and her subsequent tragic death to various erotic episodes with unidentified women.

Aleister Crowley (1875-1947) is one of the most famous and significant authors in the history of western esotericism. Crowley has been long ignored by scholars of religion whilst the stories of magical and sexual practice which circulate about him continue to attract popular interest. "Aleister Crowley and the Temptation of Politics" looks at the man behind the myth - by setting him firmly within the politics of his time - and the development of his ideas through his extensive and extraordinarily varied writings. Crowley was a rationalist, sympathetic to the values of the Enlightenment, but also a romantic and a reactionary. His search for an alternative way to express his religious feelings led him to elaborate his own vision of social and political change. Crowley's complex politics led to his involvement with many key individuals, organisations and groups of his day - the secret service of various countries, the German Nazi party, Russian political activists, journalists and politicians of various persuasions, as well as other writers - both in Europe and America. "Aleister Crowley and the Temptation of Politics" presents a life of ideas, an examination of a man shaped by and shaping the politics of his times.
