But she's dreamed of serving with the dragons ever since a childhood meeting with a glittering silver dragon and its female dragoner. For years she waits, and as soon as she is old enough to join, Ileth runs away to become a novice dragoner at the ancient human-dragon fortress of the Serpentine. While most of her fellow apprentices are from rich and influential families, Ileth must fight for her place in the world, even if it includes a duel with her boss at the fish-gutting table. But she finds those trials were nothing when she has to take the place of a dead dragoner and care for his imprisoned dragon in enemy lands. . . .
