Unlike the other stories, which take place over the course of a year, Dumpling Days focuses on a single summer trip to Taiwan. Dumpling Days certainly brought back a lot of memories for me.

This summer, Pacy's family is going to Taiwan for an entire month. Taiwan? Pacy isn't even sure she knows where that is. And when she gets there, Pacy looks like everyone else but can't speak the language, her art talent seems to have disappeared, and she has only her sister to spend time with! But there's plenty of adventure in Taiwan, too. As the month passes by, Pacy eats chicken feet (by accident!), gets blessed by a fortune-teller, learns more about her heritage, and grows closer to those who matter most.

It's the Chinese Year of the Dog, and as Pacy celebrates with her family, she finds out that this is the year she is supposed to "find herself." Universal themes of friendship, family, and finding one's passion in life make this novel appealing to readers of all backgrounds. This funny and profound book is a wonderful debut novel by a prolific picture book author and illustrator and has all the makings of a classic.

When Pacy, her two sisters, and their parents go to Taiwan to celebrate Grandma's sixtieth birthday, the girls learn a great deal about their heritage.

A fresh new look for this modern classic by the Newbery-Award winning and bestselling author of Where the Mountain Meets the Moon In this sequel to Year of the Dog, Pacy has another big year in store for her. However, the Year of the Rat brings big changes: Pacy must deal with Melody moving to California, find the courage to forge on with her dream of becoming a writer and illustrator, and learn to face some of her own flaws. Pacy encounters prejudice, struggles with acceptance, and must find the beauty in change. Based on the author's childhood adventures, Year of the Rat, features the whimsical black and white illustrations and the hilarious and touching anecdotes that helped Year of the Dog earn rave reviews and satisfied readers.

This stunning fantasy inspired by Chinese folklore is a companion novel to Starry River of the Sky and the New York Times bestselling and National Book Award finalist When the Sea Turned to Silver In the valley of Fruitless mountain, a young girl named Minli lives in a ramshackle hut with her parents. In the evenings, her father regales her with old folktales of the Jade Dragon and the Old Man on the Moon, who knows the answers to all of life's questions. Inspired by these stories, Minli sets off on an extraordinary journey to find the Old Man on the Moon to ask him how she can change her family's fortune. Grace Lin, author of the beloved Year of the Dog and Year of the Rat returns with a wondrous story of adventure, faith, and friendship. Rendi has run away from home and is now working as a chore boy at the village inn. He can't help but notice the village's peculiar inhabitants and their problems--where has the innkeeper's son gone? Why are Master Chao and Widow Yan always arguing? What is the crying sound Rendi keeps hearing? And how can crazy, old Mr. Shan not know if his pet is a toad or a rabbit? But one day, a mysterious lady arrives at the Inn with the gift of storytelling, and slowly transforms the villagers and Rendi himself. As she tells more stories and the days pass in the Village of Clear Sky, Rendi begins to realize that perhaps it is his own story that holds the answers to all those questions. Newbery Honor author Grace Lin brings readers another enthralling fantasy featuring her marvelous full-color illustrations. Starry River of the Sky is filled with Chinese folklore, fascinating characters, and exciting new adventures.
