In a world where the League and its assassins rule, where betrayal and treachery are everywhere, the only survivors are those ones who are...born of shadows. For Caillen Dagan, a defiant soldier of fortune, survival isn't a right, it's a brutal daily battle. Moving through the Ichidaian universe like a wraith, his brushes with the law and death are legendary. But when an act of rare heroism reveals his hidden birthright, he's forced into a world much more dangerous

and cold-hearted than the bloody streets where he was raised-one of obscene wealth and lethal politics. Ferocious and determined, Desideria serves as an official bodyguard for her queen. Born of questionable genetics, she will do anything to prove herself worthy of the weapons she carries and the position she's won by combat. But when she uncovers a ruthless plot to assassinate the queen and overthrow her country's government, Desideria is caught in the crosshairs. With assassination contracts out on both of them, Caillen and Desideria must learn to fight together or die alone. And if they fail, their governments will fall into the hands of an unimaginable evil.

Some secrets survive the light of day. Others should stay lost in darkness forever. The family saga that began with April Shadows continues! April Taylor wasn't a little girl anymore -- but who was she really? The home she shared with her parents and her older sister, Brenda, may have been filled with turmoil, but it was the only home she knew. Now, with nowhere to go in the wake of losing her mother and father, April had to grow up fast as she embarked on an odyssey of heartbreak and betrayal. It was mere chance that led her to the secluded home of a kindly elderly woman and her deaf teenaged granddaughter, Echo. There, April found a shelter from her mixed-up life, and from the confusion that severed her relationship with Brenda, after an encounter with Brenda's girlfriend, Celia. But when a dangerous couple arrives with greedy intentions, April discovers they will take advantage of her very special friendship with Echo to get what they want. Now, April's survival depends on being true to the one person she's never fully accepted: herself.

London's most eccentric dresser reveals his wildly imaginative and transgressive personal style. Daniel Lismore is known for elaborate and extravagant ensembles that brilliantly combine haute couture with charity-shop finds, yards of vintage fabrics and tartans, found objects, ribbons, feathers, chain mail, shells, ethnic jewelry, retro accessories, millinery and more in an expression of eccentric, creative energy. A prominent fixture of the London fashion and nightlife circuits, he is both tastemaker and friend to artists ranging from Stephen Fry and Debbie Harry to Boy George and Vivienne Westwood. For his first major publication, Lismore has selected thirty major ensembles rich with social, historical, and cultural themes from around the world. Lismore's unique sartorial point of view and wildly imaginative sculptural creations beckon fashion lovers to question and analyze their own personal identity and individual sense of style.

**NOW A LIFETIME TV MOVIE STARRING JOHN STAMOS** From the bestselling author of *The Double Bind*, *Midwives*, and *Skeletons at the Feast* comes a novel of shattered faith, intimate secrets, and the delicate nature of sacrifice. "There," says Alice Hayward to Reverend Stephen Drew, just after her baptism, and just before going home to the husband who will kill her that evening and then shoot himself. Drew, tortured by the cryptic finality of that short utterance, feels his faith in God slipping away and is saved from despair only by a meeting with Heather Laurent, the author of wildly successful, inspirational books about . . . angels. Heather survived a childhood that culminated in her own parents' murder-suicide, so she identifies deeply with Alice's daughter, Katie, offering herself as a mentor to the girl and a shoulder for Stephen who flees the pulpit to be with Heather and see if there is anything to be salvaged from the spiritual wreckage around him. But then the State's Attorney begins to suspect that Alice's husband may not have killed himself. . .and finds out that Alice had secrets only her minister knew. *Secrets of Eden* is both a haunting literary thriller and a deeply evocative testament to the inner complexities that mark all of our lives. Once again Chris Bohjalian has given us a

riveting page-turner in which nothing is precisely what it seems. As one character remarks, "Believe no one. Trust no one. Assume all of our stories are suspect."
