Review: "Now in its Fourth Edition, this best-selling text offers comprehensive coverage of all the major topics in introductory epidemiology. With extensive treatment of the heart of epidemiology - from study designs to descriptive epidemiology to quantitative measures - this reader-friendly text is accessible and interesting to a wide range of beginning students in all health-related disciplines. A unique focus is given to real-world applications of epidemiology and the development of skills that students can apply in subsequent course work and in the field. The text is also accompanied by a complete package of instructor and student resources available through a companion Web site."--Jacket

Animal Science Biology and Technology, 3rd edition is a book designed for students studying animal science that will take readers from the basics of physiology through production and on to evaluation, while delivering a contemporary industry overview. You will find the opportunities for experiential learning found throughout this book will be especially helpful in planning supervised agricultural experience projects and FFA career development events. In addition, the career focus sections present opportunities in a story format that will pique students' interest and the accompanying laboratory manual and student activities will provide hands on engagement. . Animal Science Biology and Technology, 3rd edition was written by nationally renowned educators who also own and operate a beef cattle farm. MeeCee Baker and Robert Mikesell bring academia into the pasture to combine the

empirical and the practical in a text suitable for students of all ages and stages. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This economically priced version of LIBERTY, EQUALITY, POWER, 7th Edition offers readers the complete narrative while limiting the number of features, photos, and maps. A highly respected, balanced, and thoroughly modern approach to U.S. History, LIBERTY, EQUALITY, POWER uses these three themes in a unique approach to show how the United States was transformed, in a relatively short time, from a land inhabited by hunter-gatherer and agricultural Native American societies into the most powerful industrial nation on earth. This approach helps students understand not only the impact of the notions of liberty and equality, which are often associated with the American story, but also how dominant and subordinate groups have affected and been affected by the ever-shifting balance of power. The text integrates the best of recent social and cultural scholarship into a political story, offering students a comprehensive and complete understanding of American history. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

ideas and contributions) to a greater and deeper extent than any other text for the course. Author Marvin Perry's accessible writing style and flexible approach make this abridged version of WESTERN CIVILIZATION: IDEAS, POLITICS, AND SOCIETY an appealing survey text. Updated with more recent scholarship, the Eleventh Edition retains many popular features, including comparative timelines, full-color art essays, and primary source boxes in each chapter. This fully updated and revised 12th edition of the highly acclaimed textbook on health care delivery provides graduate and undergraduate students with a comprehensive survey of health care in the United States ranging in topics from the organization of care, the politics surrounding healthcare in the United States, to population health and vulnerable populations, healthcare costs and value, health care financing, and health information technology. Chapters provide thorough coverage of the rapid changes that are reshaping our system and the extent of our nation's achievement of health care value and the Triple Aim: better health and better care at a lower cost. With an emphasis on population health and public health, this text includes a timely focus on how social and physical environments influence health outcomes. Prominent scholars, practitioners, and educators within public health, population health, health policy, healthcare management, medical care, and nursing present the most up-to-date evidence-based information on social and behavioral determinants of health and health equity, immigrant health, healthcare workforce challenges, preventative medicine, innovative approaches to control health care costs, initiatives to achieve high quality and value-based care, and much more. Designed for graduate and advanced undergraduate students of health care management and administration, nursing, and public health, the text addresses all complex core issues surrounding our health care system and health policy, such as the challenges to health care delivery, the organization and politics of care, and comparative health systems. Organized in a readable and accessible format, contributors provide an in-depth and objective appraisal of why and how we organize health care the way we do, the enormous impact of health-related behaviors on the structure, function, and cost of the health

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1?41); Volume 1: To 1877 (Chapters 1?22); Volume 2: Since 1865 (Chapters 22?41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
