Homework for Grown-ups is a brilliantly informative and entertaining book of old-school knowledge for adults. This chapter is the ultimate refresher course on home economics. (Hopeless with laundry? It'll sort you out! Don't know how to clear a blocked sink? You will!) Packed with essential facts, figures and theories, Homework for Grown-ups is a practical and wonderfully nostalgic revision guide for adults that will entertain while exercising the mind. It'll make readers the hit of the cocktail party and might even equip parents to handle their child's homework without humiliation.

The teacher guide accompanies the student activities books in macro and microeconomics for teaching collegelevel economics in AP Economics courses. The publication contains course outlines, unit plans, teaching instructions, and answers to the student activities and sample tests.

Designed for the one-term introductory economics course for non-majors, Boyes's FUNDAMENTALS OF ECONOMICS, Sixth Edition, engages students with business decisions of actual, headline-making companies and discusses the economic policies of today's world leaders. The Sixth Edition has been thoroughly updated to reflect the current economic condition in the United States and the world and reflects recent events in the Obama administration, especially in regard to healthcare. The supportive pedagogical framework that guides students through each chapter includes Fundamental Questions, which open and organize the chapter by focusing on three to six key issues, and which then reappear both at point of relevance in the margins and in the end-of-chapter Summary sections; Now You Try It checkpoint questions that quiz students on important concepts, with answers provided at the back of the book; Recaps at the end of each major section to break material into manageable segments; and end-of-chapter exercises that serve as self-checks for students and as homework assignment options for instructors. A built-in study guide follows each chapter, and provides a more intensive review opportunity for students, with answers provided in an appendix. Most chapters contain four pages of study material consisting of key term match-ups, multiple-choice quizzes, and practice questions and problems. A final section of application problems gives students an opportunity to analyze and synthesize what they have learned. Available with InfoTrac Student Collections <http://goengage.com/infotrac>. Economics Today has long led the field in offering students and instructors a dynamic, application-rich approach to learning and teaching economics. With the introduction of the Study Edition, the textbook offers yet another option. This special edition features a set of Practice Tests brimming with numerical and graphing questions that hone students' problem-solving skills. As an instructor using the Study Edition, you can assign the perforated test pages as homework and then use the answer keys available at www.econtoday.com to simplify the grading process. Alternatively, you may choose to make the solutions available to students for self-testing.

Created specifically for high school mathematics teachers, this publication shows how mathematics concepts and knowledge can be used to develop economic and personal financial understandings.

Print Student Edition

Readable, practical, and interesting, SURVEY OF ECONOMICS, 9E gives you the tools you need to understand the impact of economics in your own world. This popular book presents the basics of economics in the context of real-world situations to show you how economic issues play out at national and international levels. This thoroughly updated, new edition addresses intriguing topics in today's economics, such as the federal deficit and national debt, income levels and fair pay for females, social networking sites, and gasoline prices. Interactive learning features and self-study tools guide you through the learning process and make studying easier. SURVEY OF ECONOMICS, 9E provides a solid understanding of basic economic principles that equips you to make more informed decisions as both a professional and a consumer.
