We live in an extraordinary time. In a world that moves faster than we can imagine, we cannot afford to stand still. In this extraordinary contrarian book Jeff Booth details the technological and economic realities shaping our present and our future, and the choices we face as we go forward-a potentially alarming, but deeply hopeful situation.

Seeks to understand and critically evaluate the post-capitalist experiences of the Soviet Union, China, and Cuba, and to present an alternative relevant to the U.S. and other industrialized countries.

This book seeks to examine the basis of economic globalization, yesterday, today, and tomorrow, and to link the outcome of

Download File PDF Economics Today And

globalization into the context of the new economic geography. It shows how the phenomenon is exhibited in the light of current events, providing a good way to keep understand today's world economy.
