For the late psychic Edgar Cayce, the aura provided a pictorial representation of an individual ' s health, thoughts, talents, and life potentials as well as karmic lessons and even past lives. In a very real sense, the aura functions as a barometer of the whole self—body, mind, and spirit. Psychic Carol Ann Liaros and Cayce expert Kevin J. Todeschi have joined together to present a unique volume that teaches you to access your intuitive self in order to see these auras and colors and then goes on to explain their meaning as based on the well-documented readings of Edgar Cayce. Their work explores colors and the human aura in a way that provides practical tools for understanding that can be applied in your own life right now.

Learn how reincarnation occurs and how the karma associated with it can be resolved. Must reading for all who want to understand why their life is the way it is!

Science caught up with the psychic readings of Edgar Cayce when it proved that all of materiality - consisting of atoms and therefore protons, neutrons, and electrons - is energy in motion. Everything is a vibration. Even the body's five senses operate through the use of vibrations. The Cayce readings suggested that vibrations were also associated with healing, consciousness, and even locations. In fact, the Cayce information presents the premise that all of life in every dimension is actually just different manifestations of the One Force - the Force that moved all of Creation into being. Therefore, all vibration is ultimately that One Force manifesting in the material world in a variety of ways. Todeschi's latest title explores how everything from consciousness to the material is connected to vibration, and how we continue to create and shape our world through the vibrations all around us. Vibrations are essentially spirit in motion and our thoughts and actions affect our life and the way we are living.

A new edition of the landmark, worldwide bestseller on the life of the famed medical clairvoyant and founding father of the New Age: Edgar Cayce. Edgar Cayce (1877-1945) is known to millions today as the grandfather of the New Age. A medical clairvoyant, psychic, and Christian mystic, Cayce provided medical, psychological, and spiritual advice to thousands of people who swore by the effectiveness of his trance-based readings. But Cayce was not always a household name. When a young, skeptical journalist named Thomas Sugrue first met Cayce in 1927 the world had not yet heard of the "sleeping prophet. " During years of unique access, Sugrue completed his landmark biography, which on its publication in 1942 brought national attention to Cayce and stands as the sole record written during the seer ' s lifetime. This edition includes a new introduction by historian Mitch Horowitz that highlights the enduring significance of Cayce ' s message and the role this book played in its dissemination.

One of the most remarkable stories of the twentieth century about one of the most incredible men who ever lived: Edgar Cayce, a Kentucky farm boy whose psychic powers healed thousands, touched countless lives, and inspired the dawn of the New Age. For more than forty years, Edgar Cayce (1877-1945), the 'sleeping prophet,' regularly exhibited an astonishing psychic ability. From an altered state, he was able to read minds and souls, diagnose thousands of illnesses, successfully prescribe remedies, see into the past and the future, and tap into a source of universal knowledge where such information resides--a source Cayce said is available to us all. For anyone who has heard of Edgar Cayce-and his name is familiar to millions--here is a concise, reliable, immensely readable introduction to his life, work, and message. In Edgar Cayce's ESP, his story is told by writer Kevin Todeschi, an authority on Cayce's work and the director of the popular educational organization Cayce founded, the Association for Research and Enlightenment. Drawing upon more than 14,000 case histories and readings, Todeschi presents a wealth of proof of Cayce's psychic abilities and the effects they had on the lives of his contemporaries. Todeschi focuses especially on the character of the modest, generous Cayce himself, a man who started out in life as a sensitive, Bible-reading Kentucky farm boy and who grew up to become an unlikely prophet of the New Age and the most famous psychic in American history.

Edgar Cayce, the most documented psychic of all time, recommended exploring three tools for personal symbolism that would assist in personal growth and enlightenment: Creating Life Seals, Creating Aura Charts, and Understanding the Book of Revelation. From Cayce's perspective, a Life Seal is a personal mandala that can be used as a tool for reflection--a reminder of what she or he hopes to accomplish in life. An Aura Chart is a visual depiction of an individual's unique Akashic Record and represents a soul's lessons, attainments, failures and developments over many lifetimes. Cayce's unique approach to the Book of Revelation is that it is a symbolic exploration of archetypal images, patterns, and processes that correspond to the awakening of the Higher Self. It depicts not an external process related to world events but instead an internal one that portrays the struggles that occur within each individual as spiritual development takes places and the basic lower nature of humankind evolves to its higher spiritual nature. You will discover how these tools of symbolism can be used to cultivate your soul talents, to accomplish your mission in life, to overcome weaknesses, to enhance your soul memory, to remember your past lives and even as a means of personal attunement. Edgar Cayce on Soul Symbolism presents timely information on how symbolism can be used to understand yourself and even your connection to the divine. In addition, the volume contains examples of Life Seals and Aura Charts from the Cayce files, as well as two dictionaries of symbols for your easy reference.
