Lady Caroline Linford is horrified to discover... her fiancé, the Marquis of Winchilsea, in the arms of another woman. Unfortunately, Victorian society considers such masculine peccadilloes a trifle; canceling their imminent wedding would be unthinkable. But Caroline's wish is for the man she is to marry to desire only her...and she seeks lessons in the art of romance from the best teacher: London's most notorious rake. Braden Granville may be a famous lover... but he has no intention of taking part in Caroline's scheme -- until he learns

she has something he wants: the name of his own unfaithful fiancée's lover. As their passionate tutelage begins, sparks fly -- and the lines between teacher and student fall away. Now there is just one last lesson to learn: on the subject of true love, the heart chooses its own unpredictable ways.

Emma Van Court, a widowed teacher in the Scottish village of Faires, comes into a fortune and attracts the attention of every local bachelor, even her late husband's cousin James.

Dr. Reilly Stanton, eighth Marquis of Stillworth, must mend his injured pride by proving himself a hero -- and not a drunken wastrel, as his former fiancée claimed. Against all sane advice, the Londoner takes a medical post in a

tiny fishing village on the remote Isle of Skye -- and is convinced that he can cope with the primitive conditions, horrendous Highland weather, and rampant illness. But Miss Brenna Donnegal is another matter entirely.... Try as he might, Reilly cannot ignore the toweringly tall lady with flaming chestnut locks and an equally fiery will. She has filled her father's former role as the local physician, and is more than annoyed to find the urbane Dr. Stanton taking over her work and her father's cottage. By fair means or foul, she will give the usurper his comeuppance. But what begins as a sparking tug-of-war between two proud hearts soon flames to a passionate fire... Critically acclaimed author Patricia Cabot delivers an exquisitely warm and witty novel of love set against the dramatic backdrop

An enchanting novel by Meg Cabot, originally writing under the name Patricia Cabot, released as an e-book for the first time! She was ruled by her head... Only one thing stood between Edward, Lord Rawlings, and a life of rakish debauchery: a spinster. Even worse, a liberal, educated vicar's daughter, guardian to ten-year-old Jeremy, the true heir to the title Edward did not want. If Jeremy would not assume dukedom, Edward must, a fate of dire responsibility and utter boredom. But this time, her heart was taking the reins. Since there had never been a female his lordship couldn't charm, Edward was sure he would win over the old girl. But Pegeen MacDougal was neither old, nor a girl—she was all woman, with a prickly

Cabot, infernal green eyes and a buried sensuality that drove him mad. Unfortunately, she loathed him and his class for their fripperies and complete disregard for the less fortunate. But for the sake of the boy, she agreed to accompany him back to his estate. The rise was quickly apparent. For Pegeen knew she could resist Edward's money, his power, his position...his entire world. It was his kiss, however, that promised to be her undoing... Where Roses Grow Wild.

impossibly out of reach, since her beloved captain is about to marry another, and worse, he's been given her ship as a wedding present from her traitorous father. A thwarted love. Out to prove she has right on her side, Payton manages to unleash a scandal and ignite all sorts of trouble. As for Drake, he can't decide whether to throttle the girl he's grown up with, or make love to the beautiful woman she has become.

Victoria Growing up in far-off India, wealthy young heiress Lady Victoria Arbuthnot was accustomed to handling her own affairs -- not to mention everyone else's. engaged to the perfect English gentleman, even before setting foot on British soil. The Rogue Hugo Rothschild, ninth earl of Malfrey, is everything a girl could want in a future husband: he is handsome and worldly, if not rich. Lady Victoria has everything just as she'd like it. That is, if raffish young ship captain Jacob Carstairs would leave well enough alone.

Jacob's meddling is nothing short of exasperating, and Victoria is mystified by his persistence. But when it becomes clear that young Lord Malfrey just might not be all that he's professed to be, Victoria is forced to admit, for the first time in her life, that she is wrong. Not only about her fiance, but about the reason behind the handsome ship captain's interference.
