Good police officers are often promoted into supervisory positions with little or no training for what makes a good manager. Effective Police Supervision provides readers with an understanding of the group behaviors and organizational dynamics necessary to understand the fundamentals of police administration. The Effective Police Supervision Study Guide, which includes quizzes and other study tools, gives students, as well as professionals training for promotional exams, a way to review the material and be fully prepared for examinations and the world of police supervision. This new edition, like the new edition of the textbook it accompanies, includes information on the following topics: police accountability, police involvement with news media, dealing with social media, updates on legal considerations, and avoiding scandals. Updated to coincide precisely with the 7th edition of Effective Police Supervision Each chapter includes learning objectives, key terms, chapter summaries, and review questions Includes access to the instructor and companion sites for Effective Police Supervision

Good police officers are often promoted to supervisory positions with little or none of the training it takes to be a good manager. An understanding of group behaviors and organizational dynamics is necessary to grasp the fundamentals of managing police officers. The Effective Police Supervision Study Guide coordinates with the core text used in many college-level classes and police departments to teach supervisory practices in criminal justice. This study guide prepares both students and professionals for academic or promotional exams, offering them an opportunity to fully review the material so that they are well-prepared for testing. This new edition, like the new edition of the textbook it accompanies, includes information on the following topics: police accountability, police involvement with news media, the challenges of dealing with social media, updates on legal considerations, and ways to respond to current issues facing law enforcement with COVID-19 and managing protests.

Never HIGHLIGHT a Book Again! Virtually all of the testable terms, concepts, persons, places, and events from the textbook are included. Cram101 Just the FACTS101 studyguides give all of the outlines, highlights, notes, and quizzes for your textbook with optional online comprehensive practice tests. Only Cram101 is Textbook Specific. Accompanys: 9781608850204 .

Good police officers are often promoted into supervisory positions with little or no training for what makes a good manager. Effective Police Supervision provides readers with an understanding of the group behaviors and organizational dynamics necessary to understand the fundamentals of police administration. This new edition, like the new edition of the textbook it accompanies, includes information on the following topics: police accountability, police involvement with news media, dealing with social media, updates on legal considerations, and avoiding scandals.

Leadership is the most important part of an organization's success. As a leader, your ability to influence others is the key to getting things done. Effective leadership builds morale in an organization, successful prosecution of crime, defense from liability, and improves a department's level of trust and participation with the communities it serves. Among the topics covered in the book are: * Leadership without title - how to lead others even if you don't have rank * Empathy and how to see things from the point of view of others * Influence and how to get those you lead to follow you * Values and how they impact the decisions people make * Generationalism and how it impacts employees * Motivating employees to get the job done to the best of their abilities * Affability and how to be liked and respected by others * Trust and how it impacts your ability to lead * Accountability and how to correct bad behaviors by employees * Retention and how you can help keep great employees

Good police officers are often promoted to supervisory positions with little or none of the training it takes to be a good manager. An understanding of group behaviors and organizational dynamics is necessary to grasp the fundamentals of managing police officers. The Effective Police Supervision Study Guide coordinates with the core text used in many college-level classes and police departments to teach supervisory practices in criminal justice. This study guide prepares both students and professionals for academic or promotional exams, offering them an opportunity to fully review the material so that they are well-prepared for testing. This new edition, like the new edition of the textbook it accompanies, includes information on the following topics: police accountability, police involvement with news media, the challenges of dealing with social media, updates on legal considerations, and ways to avoid another controversy like Ferguson, Dallas, or Baltimore.

Challenge your "test-readiness". Instructors who integrate "Effective Police Leadership" into their curriculum may qualify for a complimentary Effective Police Leadership Training Powerpoint Presentation to enhance instructional effectiveness. Please ask Looseleaf Law Publications, Inc for details.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. The must-read text for criminal justice students, prospective police supervisors, and police promotional exams. Supervision of Police Personnel, Eighth Edition, offers complete coverage of the principles and practices of police supervision for leadership training of supervisors in law enforcement and allied fields. This newly updated text explores relationships involved in individual and group management methods and the practical techniques for carrying out the various responsibilities of the police supervisor. Discussions focus on real issues faced by police supervisors in interpersonal, operational, and administrative relationships. Written by experienced police officers, the text presents time-tested content that is an indispensable resource for promotional exams.

In this much-anticipated 3rd edition, Tom Baker expands on the revolutionary leadership insights that made his first editions so popular. This enhanced and expanded version explores even more strategies that help agencies, administrators and officers leverage crime data more efficiently and effectively. From explaining what a leader must be, do & know, to plans fro putting expert-level leadership skills to work immediately, Effective Police Leadership is gold for law enforcement leaders. Great leaders aren't born, they're made...and this book makes them!
