User Rating: 4 / 5. Please Rate The Electra brand is a bit odd and has a bit of a chequered past, but it's essential to understand that Electra has always been a brand name and no more. It is not a company as such and never has been. It has never, ever made a single appliance nor has it ever had any production capability at all. ...

Provides over 10,000 current prices for soundtrack and original cast recordings. This guide is very comprehensive for US issues, but also includes selected Canadian and overseas releases.

"Rose presents a comprehensive historical explanation of the related changes in television and in the four performing arts. . . . Highly recommended for both culture students and enthusiasts of the performing arts." Library Journal

In this second part of his fifth volume on Harley-Davidsons motorcycles, Donny Petersen, who studied privately with Harley-Davidson engineers, shares practical knowledge and streetwise tips on the Shovelhead motorcycle. Donny presents what Harley-Davidson has to say through the myriad of service bulletins back in the day in everyday language. He also uses his extensive practical experience to constructively critique the official line, offers additional hard-earned information, and then shares what he does to his own bikes. He provides

- solutions to fix the Shovelhead 's teething problems;
- Harley 's responses to ongoing problematic aspects of vibration, as well as the aftermarket 's cures;
- tips on working with the Shovelhead 's carburetors and five ignitions; starter and charging systems, electrical switches, circuit breakers, and relays; and
- best practices for lubrication, as well as the progression of front forks and shocks, brakes, wheels, and tires.

Written in straightforward language, this guide offers step-by-step instructions to help all levels of enthusiasts, from novices to expert mechanics. In his usual forthright manner, Donny makes technical issues understandable, interspersing explanations with entertaining stories about the lifestyle that comes with being a Harley rider.

The Rough Guide to Greece has been the definitive guidebook to the country. With user-friendly accommodation and eating reviews, crystal-clear maps, detailed background and a journalistic eye for detail, this is the ideal guide for all your Greece travel needs. Top 5 lists and itineraries will help you plan your route, with insider tips on the best beaches to escape the crowds.
