New York Giants beat writer Ralph Vacchiano examines the quarterback position in the NFL from all angles, using Giants quarterback (and Super Bowl XLII MVP) Eli Manning as his primary focus When Eli Manning found teammate Plaxico Burress in the end zone with just 35 seconds remaining in Super Bowl XLII, he completed what was perhaps the greatest game-winning drive and unlikely upset in Super Bowl history. But the drive, which also included a remarkable escape and pass completion to unheralded receiver David Tyree, was the culmination of years of promise and development. Champion quarterbacks aren't made overnight. With Manning, the Super Bowl MVP, as its focal point, New York Daily News Giants beat writer Ralph Vacchiano's Eli Manning: The Making of a Quarterback is a fascinating insider's look at the National Football League, how stars are made and crushed, and how fortunes are won and lost on the performance of one man: the quarterback. From the bold draft day trade that brought Manning to New York, through his dramatic ups and downs on and off the field, his first training camp to his last-minute heroics in Super Bowl XLII, Vacchiano takes a candid and revealing look at the people and events that made Manning's and his 2007 Giants' success one of the greatest stories in modern sports history. Complete with exclusive interviews with NFL stars, coaches, and executives and a foreword by former Giants general manager Ernie Accorsi, Vacchiano uses his unfettered access to the world champion Giants to present a true, behind-the-scenes look at the quarterback and team that defied all of the experts and oddsmakers to pull off one of the most phenomenal upsets in pro football history. 25 black-and-white photographs Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. What If Jesus Had Not Come Until Today? Who Would Follow Him? Who Would Kill Him? A fiery car crash hurls TV journalist Conrad Davis into another world exactly like ours except for one detail--Jesus Christ did not come 2,000 years ago, but today. Starting with angels heralding a birth in the back of a motel laundry room, the skeptical Davis watches the gospel unfold in today's society as a Messiah in T-shirt and blue jeans heals, raises people from the dead, and speaks such startling truths that he captures the heart of a nation. But the young man's actions and his criticism of the religious establishment earn him enemies as ruthless as they are powerful. An intense and thought-provoking novel, Eli strips away religious tradition to present Jesus fresh and unvarnished. With gripping immediacy, Bill Myers weaves a story whose truth will refresh your faith.

The action-packed adventures of twelve-year-old Eliza and her faithful dog, Caesar, as they head for Colorado to search for her father, follows her dramatic transformation into Elijah Bates and her coalition with "The Gentleman Outlaw."

Recipes that capture the glory of one of America's favorite desserts. "Slice of Heaven . . . This cheesecake is perfection on a plate." —O, The Oprah Magazine Eli's cheesecake began more than thirty-five years ago, rising to prominence first as a featured item at one of Chicago's most popular restaurants—Eli's The Place for Steak, a classic steakhouse and pillar of the city's culinary community that was also a noted celebrity watering hole. From Eli Schulman's first cheesecake creation at Eli's The Place for Steak to President Obama's 50th birthday cake, this book details the storied history of one of the nation's most famous desserts. This cookbook includes forty cheesecake recipes, including Original Plain, Chocolate Chip, Cinnamon Rum Raisin, Belgian Chocolate, Espresso, and Banana, plus ten signature steakhouse dishes like the acclaimed Liver Eli. Schulman is often credited with putting "Chicago-style" cheesecake, richer and creamier than its New York counterpart, on the map. This collection will allow home cooks to make the same cheesecakes that helped celebrate Mayor Rahm Emanuel's inauguration, Presidents Clinton and Obama's inaugurations, Abraham Lincoln's bicentennial, the City of Chicago's 150th birthday, the White Sox World Series, and more. As Eli Schulman might say, it's a helluva book. "The best cheesecake for purists." —Bon Appétit "Intensely flavored, it is creamy without being too heavy . . . a local product making a national reputation because it is one of the best." —The New York Times "A Chicago legend and deservedly so." —Chicago Tribune "Guaranteed to satisfy the most ardent chocolate fan." —Cooks Magazine "King of Cheesecake." —Chicago Sun-Times
