Browse: Employing people A to Z. Contracts of employment and working hours. Includes types of worker, employee rights, overtime and changes to contracts

Addresses law and employment decisions with a management perspective. This text explains how to approach and manage legal employment decisions, and outlines the specific legal framework in which management decisions are made.

Bennett-Alexander and Hartmans, Employment Law for Business, 4/e, addresses law and employment decisions from a managerial perspective. It is intended to instruct students on how to manage effectively and efficiently with full comprehension of the legal ramifications of their decisions. Students are shown how to think and analyze employment law facts using concrete examples of management-related legal dilemmas without clear-cut solutions. The methods of arriving at resolutions are emphasized, so that when the facts of the workplace problem are not quite the same, the student can still reach a good decision based on the legal considerations required by law, which remain relevant.

Includes sample documents for clear guidance and inspiration Understand your rights and responsibilities as an employer British small business owners can't afford to learn from their mistakes, especially as regards employment law. This book keeps you onside with the law and onside with your staff too. From hiring and firing through to dealing with wages, pensions, and maternity leave, you'll discover what to do, what not to do, and how to get it right first time. Discover how to * Recruit and retain a happy workforce * Draw up a fair employment contract * Understand Health and Safety Laws * Make redundancies the right way * Manage staff holiday and disciplinary issues

We wanted the textbook to be informative and readable—a resource to encourage critical and creative thinking about workplace issues and to sensitize you to the need for effective workplace management of these issues. We think we have accomplished our goal. We hope the text is as interesting and informative for you to read and use as it was exciting and challenging for us to write.

Written specifically for HR and Business students, Introduction to Employment Law is a clear and accessible guide to employment law and how it applies in practice. Covering everything from employment tribunals and discrimination to redundancy and termination of employment, this textbook doesn't assume any prior knowledge of the UK legal system and equips students with all the knowledge and skills that they need to take forward into the workplace. Fully revised with all the latest cases and legal developments, this new edition includes coverage of hot topics such as defining employment status in the gig economy, gender pay reporting, the General Data Protection Regulation (GDPR) and the legal implications to be considered with Britain's withdrawal from the European Union. Packed with pedagogical features to consolidate learning including chapter objectives, tasks, 'explore further' sections, key learning points and examples to work through, as well as a dedicated study skills chapter, Introduction to Employment Law is essential reading for all students studying the CIPD Level 5 Intermediate module in employment law as well as being a useful resource for those studying at level 3 and an accessible introduction for level 7 and those on undergraduate and postgraduate courses needing a thorough grounding in employment law. Online resources include lecture slides, case studies, multiple choice questions, annotated weblinks and an instructor's manual.

EMPLOYMENT LAW FOR HUMAN RESOURCE PRACTICE, 4TH EDITION explains the major issues and rules of employment law and how they apply to your human resource career. Clippings of current news stories and events, hypothetical situations, and real cases help you understand how the law applies to each stage of employment--from hiring, to managing, to firing--and emphasize the application of legal concepts to future business situations. Practical advice for what to do as a manager is conveniently summarized at the end of each chapter. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

"The revised fourth edition features changes in the Employment Standards Act and Bill 148 (Fair Workplaces Better Jobs Act). Bill 148's passage also impacts the content in numerous other chapters and the changes to the ESA resulting from Bill 47 will result in updates to the Employment Standards Act chapter. "--

Tailored to meet the needs of business students, this book allows readers to navigate the core legal provisions in employment law and get to grips with crucial issues. The language used is easy to follow and the structure of the book provides an accessible introduction to the subject. Throughout, the book provides relevant examples, gives international law comparisons and imbues readers with a 'best practice' awareness. Students will also use the book to: - Recognize and understand relevant case law in key areas; - Understand how employment law works in practice; - Assess the effectiveness of United Kingdom and European employment law. This book will be of invaluable help to Undergraduate and MBA students as well as those pursuing a CIPD employment law course.
