Easy | Definition of Easy at Dictionary.com

The English School of international relations theory (sometimes also referred to as liberal realism, the International Society school or the British institutionalists) maintains that there is a 'society of states' at the international level, despite the condition of anarchy (that is, the lack of a global ruler or world state). The English school stands for the conviction that ideas, rather ...

Google's free service instantly translates words, phrases, and web pages between English and over 100 other languages.

A cheeky, sophisticated, and strikingly illustrated guide that leaves generic English reference books in the dust When prominent Barcelona-based illustrator Luci Guti é rrez found herself tuning out in English class, she used her love of drawing to help retain what she ' d learned. Ditching the kind of bland and useless phrases that fill most English textbooks, Guti é rrez uses whimsical characters, cheeky dialogue, and even insults to bring vocabulary, grammar, and usage topics to life. Nearly forty-seven million people in the United States speak a language other than English at home, and even most native speakers struggle with subtle distinctions, such as when to use " whether " as opposed to " if. " (For example: I wonder whether I should have added a little more poison to his tea.) Already published to wide acclaim abroad, English Is Not Easy is sure to delight grammar mavens and students of English in America.

"I must congratulate you on GLOBISH THE WORLD OVER. It's a pioneering text of great importance, full of enthralling insights for native and non-native English users alike." -- Robert McCrum, author, The Story of English and Literary Editor, London Observer. Globish, as a concept, takes to task the world hegemony of arrogant English-speakers. Hence the landmark book Don't Speak English - Parlez Globish became a best-seller in French, and other languages, but it never appeared in English. GLOBISH THE WORLD OVER is the first book written in Globish-English. Non-native English speakers from non-Anglophone countries use English better between themselves than with any native English speaker. Globish codifies their very efficient "similar limitations." The word Globish may strike English-speakers as an "odd" way to rename their English. However billions of speakers in Brazil, Russia, India and China will be the new "owners" of what the world is now calling Globish. The implications are far-reaching. GLOBISH THE WORLD OVER discusses this phenomenon, and demonstrates that Globish - as a deliberate and sufficient subset of English for international communication - is limited more by a person's communication ability than by mere words.

The Essential 22000 English Phrases are a great resource anywhere you go; it is an easy tool that has just the phrases you want and need! The entire eBook is an alphabetical list of English phrases. It will be very useful for all walks of life (home, parent, school, students, travel, interpreting and learning English). The phrases you will learn will help you in any situation! Who doesn't love a snow day? Gabi and her siblings Adam and Abigail decide to put on their snow gear and play outside in the snow. There is so much to do on a cold winter's day, from making snow angels to making footprints in the snow, but the siblings finally decide to build a snow-woman. Putting everything together isn't easy for three children, but when they all work together, their mom says that this snow-woman is the most beautiful one she's ever seen! Enjoy a snow day with Gabi, Adam, and Abigail as they build their snow-woman and see how they demonstrate importance of family, creativity, and teamwork, all while learning a new language!
