New York Times Bestseller Over 2.5 million copies sold For David Goggins, childhood was a nightmare - poverty, prejudice, and physical abuse colored his days and haunted his nights. But through self-discipline, mental toughness, and hard work, Goggins transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance athletes. The only man in history to complete elite training as a Navy SEAL, Army Ranger, and Air Force Tactical Air Controller, he went on to set records in numerous endurance events, inspiring Outside magazine to name him The Fittest (Real) Man in America. In this curse-word-free edition of Can't Hurt Me, he shares his astonishing life story and reveals that most of us tap into only 40% of our capabilities. Goggins calls this The 40% Rule, and his story illuminates a path that anyone can follow to push past pain, demolish fear, and reach their full potential.

It's an unseasonably hot April night in 1965. The social revolutions rocking America have mostly bypassed Burr, a tiny rural community in western Oklahoma. Like much of the state, Burr remains as it's always been: Religious. Conservative. And 100% white. When an unknown young African-American woman is found murdered on the railroad tracks outside town, most of Burr would rather look the other way. The town's police chief, troubled local hero and ex-Marine Emmett Hardy, doesn't have that luxury. A lover of books and jazz in the land of football and country & western, Emmett is an outsider in a place he knows like the back of his hand. In his search for the killer, he's forced to slice through layers of hate and hypocrisy to confront the ethical rot at the town's core, while being haunted by the vision of a life and love that might have been.

Callan MacGregor might speak with the eloquence of a Scottish poet, but a hard life has turned him into a merciless killer. With a first-hand account of hell, he trusts nothing and no one but the hollow hurt tortured into his bones. Sacrificing all, he must escape Scotland to survive. Emery Tanner is captivated—to the point of obsession—by the stunning Scotsman tending bar at the Imperial Hotel. With as many dark secrets as he has scars, she hungers to know every exquisite inch of him, but her shy nature leaves her tongue-tied. Despite her sense that innate kindness rests beneath his savage surface, Callan MacGregor is a man to approach with caution—if not fear. When tragedy strikes and Emery’s world is shattered, she learns just how ruthless Callan can be. Violence has shaped his soul and love has always led to loss in both their broken lives. But as secrets are exposed, they find truth within the hurt and awaken a desire to become whole once more.
