It takes lots of information, suggestions and discussion to decide a career option for yourself. In today's world, having a good job is a benchmark for a living standard of a person living in society. This tendency of society builds pressure on the candidates and they start entering the rat race of common people. They forget to introspect and bring clarity to what they wanted to become and what they choose. Planning is very important before execution and this must be done by every student before deciding to enter any career option. The Symbiosis Entrance Test is one such entrance exam that does not limit the scope of career options and provides a common gateway to various career options by offering admissions under various undergraduate courses like Management, Economics, Design, Mass Communication, Computer Studies, Liberal Arts and Culinary Arts.
