The Shutter Sisters, an innovative partnership of ten photographers, have been sharing their expertise for years on a successful blog; this is their first book. Valuing the evocative and emotional, they show how to balance the technical craft of photography with the demands of the moment and the avoidance of cliché.

When a photograph captivates you and stirs your soul, you know it instinctively. You not only see the image, you feel it. But how do you capture shots like that with your own camera? How do you make your photographs worth the proverbial thousand words? From portraits to landscapes, still-lives to documentary shots, Expressive Photography will not only show you why certain images sing, but will also teach you how to create your own compelling photographic images—one click at a time. Visually stunning, and unique in its collaborative approach, this book brings the spirit of the immensely popular Shutter Sisters' blog to the printed page through the voice and photography of its founding members.

All of us have, at one time or another, taken "the perfect picture" - the one that not only works technically, but which exactly captures the emotion of the moment, evoking delight and wonder in the reactions of all who see it. Frustratingly, though, we all have many more of the "nearly" shots - when you were in the right place, at the right time, but didn't get the mood you were going for. This book will help you capture the emotion of your subject, and the feeling of that moment. Visually stunning, and unique in its collaborative approach, 'Expressive Photography' brings the spirit of the immensely popular Shutter Sisters website to the printed page through the voice and photography of its founding members.

collaborative approach, this book brings the spirit of the immensely popular Shutter Sisters' blog to the printed page through the voice and photography of its founding members.

Mostly candid and spontaneous, documentary photography serves to preserve a moment in time. In *Lens on Life*, celebrated documentary photographer Stephanie Calabrese Roberts inspires you to explore, shoot, and share documentary photographs, guiding you as you define your own style. Illustrated with the author's striking artwork as well as that of eight seasoned photographers who have visually documented stories all over the world, this book will sharpen your artistic intuition and give you the confidence to take on personal or professional documentary assignments. Full of advice that will challenge you and strengthen your photography, *Lens on Life* shows you how to capture an authentic view of your world.

This fully up-to-date Second Edition will help iPhone owners get the best photos possible from their equipment. Including the iPhone 4S, this book explains how to choose, load, and use the newest and most useful apps. It also focuses on the specific techniques and skills iPhotographers need to develop their creative "i." This is a must-have for all iPhone users!

Many of us have strong convictions. We want to advocate for causes we care about--but which ones? We want to work for change--but will the emotional toll lead to burn out? Leadership coach, lawyer, photographer, and activist Karen Walrond knows that when you care deeply about the world, light can seem hard to find. But when your activism grows out of your joy--and vice versa--you begin to see light everywhere. In *The Lightmaker's Manifesto*, Walrond helps us name the skills, values, and actions that bring us joy; identify

the causes that spark our empathy and concern; and then put it all together to change the world. Creative and practical exercises, including journaling, daily intention-setting, and mindful self-compassion, are complemented by lively conversations with activists and thought leaders such as Valarie Kaur, Brené Brown, Tarana Burke, and Zuri Adele. With stories from around the world and wisdom from those leading movements for change, Walrond beckons readers toward lives of integrity, advocacy, conviction, and joy. By unearthing our passions and gifts, we learn how to joyfully advocate for justice, peace, and liberation. We learn how to become makers of light.
