counted up all the unpaid, invisible work she was doing for her family -- and then sent that list to her husband, asking for things to change. His response was... underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up chores and responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With four easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore from laundry to homework to dinner. "Winning" this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space -- as in, the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

As astonishing as it is compelling -- Steve Cannane's extraordinary insight into Scientology in Australia is investigative journalism at its very best. From Rugby League players trying to improve their game, to Hollywood superstars and the depressed sons of media moguls, Scientology has recruited its share of famous Australians. Less known is that Australia was the first place to ban Scientology, or that Scientology spies helped expose the Chelmsford Deep Sleep Scandal. Numerous Australians have held senior posts in the organisation only to fall foul of the top brass and lose their families as a result. Based on years of interviews and research, Walkley Award-winning journalist Steve Cannane tells for the first time the fascinating story of Australia's vital involvement with this powerful, secretive and punitive cult.

The cop assigned to her case is Lieutenant Malchek, an ex-Vietnam sniper who now specialises in hit-men and contract killers. Maybe the man who dropped the papers was someone special. Maybe he's got Clare on his list.
